

BYLAWS OF THE BOARD

Role of the Board (Powers and Responsibilities)

The Board of Trustees is elected by the community to provide leadership and citizen oversight of the district's schools and to carry out the will of the people of the Berryessa Union School District in the matter of public education. The Board shall work with the Superintendent to fulfill its major roles, which include:

1. Establishing a long-term vision for the district
2. Establishing and maintaining a basic organizational structure for the district, including employment of the Superintendent and adoption of policies, curriculum, the budget and the collective bargaining agreement
3. Ensuring accountability to the local community, including personnel, programmatic and fiscal accountability and service as a judicial and appeals body as needed
4. Providing community leadership and advocacy at the local, state and national levels on behalf of children, district programs and public education

The Board is authorized to establish and finance any program or activity that is not in conflict with, inconsistent with, or preempted by law. (Education Code 35160)

The Board may delegate any of its duties to the Superintendent or designee but shall be ultimately responsible for the performance of any duties it delegates. (Education Code 35161)

Vision

The Board shall set the direction for the district by adopting a vision statement which defines the district's goals and priorities. The Board shall carry out its vision-setting role by identifying the strengths and needs of the district, developing and adopting a process for framing the vision, soliciting staff and community input as appropriate, ensuring that the adopted vision statement is implemented and conducting a periodic review of the vision.

Superintendent Employment and Evaluation

The Board shall be solely responsible for employing the Superintendent and ensuring that he/she is the best match for the district based on needed abilities, traits and level of knowledge. When

selecting a new superintendent, the Board shall ensure a smooth transition period; evaluate the district's current and long-term needs; plan and conduct a process for recruitment, screening and

selection; and approve the Superintendent's employment contract. The Board shall regularly evaluate the Superintendent based on an evaluation system and performance objectives established by the Board and Superintendent.

Policy Adoption and Monitoring

The Board shall govern the schools by adopting policies that reflect the district's vision and the mandates of law. The Board shall establish a clear policy development process through which it may deliberate on issues, identify priorities, assign responsibilities, identify goals and courses of action, and review policy decisions.

The Board shall also adopt bylaws that promote cooperation, trust and teamwork among its members, give parameters to the Board's operation as a governing body, and ensure that its meetings proceed efficiently and in compliance with law.

To ensure accountability to the community, the Board shall establish measurable benchmarks to assess the effectiveness of the district's educational programs in producing desired student achievement results. Based on these assessments, the Board shall direct the Superintendent or designee to take corrective actions as needed.

Budget, Facilities and Fiscal Accountability

The Board shall adopt a sound, responsible budget that supports district goals and priorities. To guide the Superintendent or designee in development of the budget, the Board shall establish a budget calendar, budget process and spending priorities.

Recognizing that school facilities are a long-term obligation that impacts district budgets, the Board shall also ensure that a plan is in place to address the district's facility needs, including the funding, construction and maintenance of school facilities. The Board shall approve facility sites, funding sources and architectural and construction contracts.

The Board recognizes that it is accountable to the community for its budget and facilities decisions and for the district's fiscal integrity. The Board shall use accountability systems and processes in order to monitor the district's fiscal health.

Collective Bargaining

The Board is the legal representative of the district in negotiations with employee representatives. In carrying out the collective bargaining process, the Board shall set goals and guidelines for collective bargaining, select the bargaining team, maintain communications throughout the process and approve the negotiated contract.

Judicial and Appeals Body

In addition to establishing complaint procedures that ensure due process and facilitate the satisfactory resolution of issues, the Board may convene to serve as a judicial and appeals body in accordance with law, Board policies and negotiated agreements. The Board may delegate fact-finding or hearing responsibilities in appropriate cases but remains the final decision-maker in these proceedings.

Community Leadership

The Board shall build and maintain community awareness and support by actively involving parents/guardians, business and other community members in the schools and informing them about district programs, policies and issues.

Recognizing that the level of local, state and national support for education impacts the Board's ability to fulfill its responsibilities, the Board shall engage in advocacy on behalf of district schools. The Board shall ensure that the district has the capability to respond to emerging issues and a proactive communications plan for issues that are district priorities.
