### **Teleconference**

A teleconference is a meeting of the Board in which Board members are in different locations, connected by electronic means, through audio, video or both.

The Board may use teleconferences for all purposes in connection with any meeting within the Board's subject matter jurisdiction. All votes taken during a teleconference meeting shall be by roll call.

During the teleconference, at least a quorum of the members of the Board shall participate from locations within district boundaries.

Agendas shall be posted at all teleconference locations and shall list all teleconference locations whenever they are posted elsewhere. Additional teleconference locations may be provided to the public.

All teleconferenced meetings shall be conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the Board, including the right of the public to address the Board directly at each teleconference location.

All Board policies, administrative regulations and bylaws shall apply equally to meetings that are teleconferenced. The Superintendent or designee shall facilitate public participation in the meeting at each teleconference location.
