Emergencies And Disaster Preparedness Plan

The district disaster preparedness plan shall be available to staff, students and the public in the Business Office of the District and in the office of each principal. Individual school site disaster plans shall be provided to each teacher and shall be available for public inspection at the principal's office. The principal shall make certain that students and staff are familiar with their site plan.

The Board of Trustees shall grant the use of school buildings, grounds and equipment to public agencies, including the American Red Cross, for mass care and welfare shelters during disasters or other emergencies affecting the public health and welfare. The Board shall cooperate with such agencies in furnishing and maintaining whatever services it deems necessary to meet the community's needs. (Education Code 38132)

Release of Students

The following procedures shall be followed in releasing students in the event of an emergency or disaster:

1. The principal or designee shall receive authorization from the Superintendent or designee before releasing students.
2. Individual students shall not leave a school site without receiving permission from the principal or designee.
3. If possible, staff shall release students only to persons authorized on the student emergency card.
4. In the absence of an emergency card or in an emergency in which reference to the emergency card is impossible, individual students shall be released, upon presentation of identification, to parents/guardians, persons authorized by the parents/guardians, or to authorized persons representing public agencies that may take responsibility, when necessary, for the safety of the student .
5. The principal or designee shall record the release of all students.

Role of Staff

School staffs are considered disaster service workers and are subject to disaster service activities assigned to them. (Government Code 3100)

During an emergency, staff shall fulfill the following roles:
