

**INSTRUCTION****Trips and Excursions**

School-sponsored trips and excursions may be planned and implemented outside the regular school day as defined in Policies 6111 and 6112 to permit pupils to participate in educational, social, cultural, musical, and recreational activities. Such trips and excursions shall require supervision by a District employee.

Student members of organized school groups (such as band, chorus, and sports teams) may not be charged a fee for transportation when the organized group is going to perform as a unit for an activity outside the regular school day. Except as noted above, students may pay costs relating to participation in trips and excursions outside the regular school day.
