

Administrative Regulation

STUDENTS

Attendance. Resident and Non-Resident Students

A student residing within the district may establish residency by documenting that he/she lives with a parent/guardian within the district or that he/she is in the court-appointed care of a licensed foster home, family home, or children's institution in the district. Students shall also qualify as district residents if legally placed by the parent/guardian into a home located within the district, provided the home is properly licensed or is the home of a relative as defined by the California Administrative Code.

"Relative" is defined as a spouse, parent, step-parent, son, daughter, brother, sister, step-brother, step-sister, half brother, half sister, uncle, aunt, niece, nephew, first cousin, or any such person denoted by the prefix "Grand" or "Great" or the spouse of any of the persons specified, even after the marriage has been terminated by death or dissolution.

Nonimmigrant alien students, children who have entered the country on a nonimmigrant, nonresident tourist visa, may request enrollment in the district.

Homeless children shall be exempt from the proof of residency requirements and shall be admitted to a district school upon presentation of the following:

1. Hotel or motel receipt
2. Social Service Agency letter verifying that the child lives within the district.
3. Affidavit from the parent/guardian stating that the family lives within the district with the purpose of remaining there.
