2.	APPROVAL OF THE AGENDA	
	Motion: Christy Bradford 2 nd : Faith Garlington (Unanimous)	
3.	APPROVAL OF THE MEETING MINUTES	
	Motion: Virginia Pender 2 nd : Susan Perez (Unanimous)	
OPEN AGENDA ITEM: District Update		
4.1	Dr. Roxane Fuentes	
Discussion	<p>The committee members were thanked for their participation this school year. The community is in a much better position health-wise and Santa Clara county is in the yellow tier. Close to 60% of the eligible adults have been vaccinated. 2,000 of our students are now eligible for vaccinations. Our on-site vaccination clinic at Sierramont Middle School on May 28th from 12:30-7:00pm with the follow-up dose coming 3 weeks later for 12yo+. Information will be sent soon. There is a possibility of a Pfizer vaccine for 2 to 11 year-olds in September as clinical trials continue to show promise. Requirements for vaccinations need to be legislated and will not be required by the district without legislation requiring BUSD to do so. Every 1st and 3rd Wednesday COVID testing is happening at Sierramont Middle School for the community. All staff members and their families can get COVID tested weekly at the County Office of Education on Tuesdays and Fridays. SB-98 Expires in June which means we go back to 5-days per week for in-person learning in the fall. The legislature has decided that there will be independent studies option for families. The expectations for Independent Studies Programs are being legislated and a decision will be made with the governor's budget in June. New guidance and requirements around COVID testing and vaccinations have to be put in place by June 1st.</p>	
OPEN AGENDA ITEM: Local Control and Accountability Plan (LCAP)/Expanded Learning Opportunities (ELO)		
4.2	Kevin Franklin & Dr. Roxane Fuentes	
Discussion	<p>Timeline for the LCAP/LCP. LCAP/LCP will be presented at first board meeting in June and goes back to the board for approval during the second meeting. The LCAP due to the pandemic Became the Learning Continuity Plan (LCP) for this year which is a more abbreviated plan. The annual LCAP/LCP Update shows goals, priorities, measurements, progress, and the result of the district's effort in each goal indicated in the plan. Mr. Franklin and Dr. Fuentes summarized how district funds and new one-time monies will be spent in the upcoming school year.</p> <p>Suggestion by Susan Perez for monthly parent education nights – Teacher Guided Strategies for parents</p>
