will be first required for 7-12th graders along with school staff at some point in the future when mandated. There is still a long process before the mandate takes effect.		
Eligibility for 5-11-year-olds to receive vaccines will be decided by 10/31.		
Informational		
campaigns and vaccination clinics in schools and in other parts of the community will be		
available in the near future throughout the county.		
*COVID-19 CDPH Testing Program (Mr. Franklin)		
Bay Area Community Health is Berryessa's COVID-19 testing partner. They do testing 1st		
and 3rd Thursday and is open to the public at Sierramont Middle School. We have a weekly		
testing program for staff members and students and it is paid for through a grant from the state		
of California with BayPLS Primary Health beginning October 11th. An average of 50-60		
students tested per site per week. Staff members who are required to be tested may get tested		
by an outside agency and bring in the results the same week of the test. Home test kits are		
not accepted.		
*Measure A Parcel Tax Renewal Information (Mr. Franklin)		
79 dollar per parcel tax (1.8 million dollars annually) to pay for needed personnel and items		
like math and science teachers, library services, counselors, and technology. This will continue		
a tax that has already existed for about 14 years with measure K.		
OPEN DISCUSSION/FUTURE AGENDA ITEMS:		
5.		
Discussion	Open Discussion/Future Agenda Items--Heidi Roslee	
1) Will parent volunteering return? Dr. Fuentes talked about CDPH guidance around this.		
2) If a teacher refuses to be vaccinated, will they have an independent studies option?		
3) Dr. Fuentes reminded the committee that without a state mandate, it will be difficult to predict		
what that will look like.
