## **SEXUAL HARASSMENT**

## **Sexual Harassment Defined**

1. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the work or educational setting, under any of the following conditions:

- a. Submission to the conduct is explicitly or implicitly made a term or condition of an individual's employment, academic status, or progress.
- b. Submission to, or rejection of, the conduct is used as the basis of employment or academic decisions affecting the individual.
- c. The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive working or educational environment. Even if the conduct or language is not sexual in nature, harassment based on the victim's gender may create a sexually discriminatory working or learning environment.
- d. Submission to, or rejection of, the conduct is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.
- 2. Sexual harassment also includes any act of retaliation against a student or employee for reporting violations of this policy or for participating in the investigation of a sexual harassment complaint.
- 3. Sexual Harassment Examples:
  - a. Sexual harassment can occur in a variety of circumstances.
    - The victim or the harasser may be a woman or a man, a girl or a boy; the victim does not have to be of the opposite sex.
    - A student can be the victim of sexual harassment by another student, the victim's teacher, another teacher, a principal, a counselor, a parent volunteer a coach, a custodian, an instructional aide, a school secretary, or any other agent or school district employee.
    - An employee can be the victim of sexual harassment by the victim's classified or certificated supervisor, a supervisor in another area, a coworker, a student, an agent of the school district or someone who is neither an employee nor a student.

- The victim does not have to be the person harassed but could be anyone affected by the offensive conduct.
- b. Sexual harassment can include, but is not limited to the following unwelcome conduct:
  - Physical: Leering; winking; throwing kisses; sexual gestures; deliberate touching; pinching; patting; leaning over; intentional rubbing or brushing against another individual's body; grabbing; fondling; kissing; cornering a person, blocking a person's way, or other physical interference with normal movement; attempted or actual rape or sexual assault; sexual intercourse.
  - Verbal: Sexual demands; sexual propositions; sexual slurs; sexual jokes; sexual teasing; sexual remarks; sexual questions; sexual telephone calls; catcalls or whistles; derogatory comments; too-familiar remarks about an individual's body parts; repeated, unwanted requests or pressure for dates; requests for sexual activity; remarks or rumors about an individual's sexual activities; unwelcome compliments; telling about sexual fantasies.
  - Visual: Sexually explicit posters, graphics, cartoons, drawings, or objects; sexually suggestive looks, gestures, leers or gawking.
  - Written: Notes or letters of a sexual nature; displays of sexually explicit literature, posters, or poems.
- c. Conduct prohibited by this policy need not be sexual in nature. Any conduct that is based on the victim's gender can constitute harassment. For example, referring to women or girls as "chicks," "broads," etc.; making statements about women or girls based on stereotypes; suggesting that women or girls should not hold certain positions because they are incapable of carrying out certain functions.
- d. Sexual conduct between an adult school employee and an elementary school student is never considered consensual. This policy will never deem an elementary school student to have welcomed or consented to an adult employee's sexually harassing conduct.

## **Supervisors' and Managers' Responsibility**

District supervisory and management employees must enforce the district's sexual harassment prohibition and must promptly report all sexual harassment complaints they receive from students or employees. A supervisor's or manager's failure to report a sexual harassment complaint is grounds for discipline.

# **Confidentiality**

The district will respect the confidentiality of the complainant and the individual(s) against whom the complaint is made as much as possible. The district will respect confidentiality within the limits of its legal obligations, including investigating sexual harassment allegations, and taking remedial and corrective action.

## **Reporting Procedures**

Any person who believes that a district student or employee has sexually harassed them or any person who knows or believes that they have knowledge of conduct that may constitute sexual harassment should report the alleged acts immediately.

# 1. Student Reports

The district encourages any adult who witnesses sexual harassment to intervene on the victim's behalf and immediately report the harassing conduct. The district does not, however, require any person to directly confront the harasser.

Any student who believes that they are a sexual harassment victim, or who knows of conduct that may constitute sexual harassment should report the alleged acts to a teacher, counselor, principal, or designated District Compliance Officer.

The report may be verbal or written. Using a formal reporting form is not required. If a student wants to use a form, one is available from the school office, school library, counseling office, and the District Compliance Officer.

Any teacher or counselor to who alleged sexual harassment is reported shall immediately notify the school principal of the alleged acts, or if the complaint involves the principal, immediately notify the District Compliance Officer.

The principal shall immediately forward written reports to the District Compliance Officer. If the principal receives a verbal report, the principal shall immediately notify the District Compliance Officer and, as soon as possible, forward a written report to the District Compliance Officer. The report shall not be screened or investigated before it is forwarded to the District Compliance Officer. Failure to forward any sexual harassment report or complaint shall result in disciplinary action.

# 2. Employee Reports

The district encourages any employee who believes that they are a sexual harassment victim to directly inform the harasser that the conduct is unwelcome and must stop. A co-worker or other employee who witnesses sexual harassment should either intervene on the victim's behalf or immediately report the harassing conduct. The district does not, however, require the employees or witnesses to confront the harasser.

An employee who believes they are a sexual harassment victim, or who knows of conduct that may constitute sexual harassment should report the alleged conduct to his or her immediate supervisor, or to any supervisor or manager, or to the District Compliance Officer.

The report may be verbal or written. Using a formal reporting form is not required, although one is available from the work place, the district's Human Resources office, or the District Compliance Officer if the employee wants to use a written form.

A supervisory or management employee receiving a written sexual harassment complaint shall immediately forward it to the designated District Compliance Officer. If a supervisory or management employee receives a verbal complaint, they shall notify the District Compliance Officer immediately and, as soon as possible, forward a written report to the District Compliance Officer. The report shall not be screened or investigated before it is forwarded to the District Compliance Officer. Failure to forward any sexual harassment report or complaint shall result in disciplinary action.

# 3. Designation of "District Compliance Officer"

The Assistant Superintendent of Human Resources is designated as the "District Compliance Officer" to receive sexual harassment reports or complaints. If the sexual harassment complaint involves the designated District Compliance Officer, the complaint shall be reported to the district Superintendent or the Superintendent's designee. If the complaint involves the Superintendent, the Superintendent's designee, or a Board of Trustees member, the Superintendent shall notify the Board of Trustees. The Board may choose to designate an independent third party to investigate the sexual harassment complaint.

# **Investigation**

After receiving a sexual harassment report or complaint, the District Compliance Officer shall immediately authorize an investigation. The investigation may be conducted by district officials or by a third party designated by the district. At the investigation's conclusion, the investigator shall prepare a written report, which shall:

- describe the circumstances giving rise to the complaint;
- describe the complainant's allegations;
- describe the accused's response;

- summarize the testimony provided by other persons interviewed, including any witnesses the complainant or the accused identified;
- conclude whether persons interviewed are credible;
- describe any other factual information the investigator deems appropriate;
- report findings of fact and supporting evidence;
- conclude whether sexual harassment did or did not occur with respect to each allegation in the complaint; and
- recommend corrective action.

#### **District Action**

After receiving the investigator's report, the Superintendent shall determine and implement an appropriate remedial and corrective response. The Superintendent shall report in writing the investigation's result and any proposed remedial and corrective action to the complainant.

If the sexual harassment complaint involved the Superintendent, the Board of Trustees shall determine and implement the appropriate remedial response, and report in writing the investigation's result and any proposed remedial action to the complainant.

Any district action taken in response to a determination that sexual harassment has occurred will be consistent with district policies and regulations, applicable collective bargaining agreements, and state and federal law.

## **Reprisals and Retaliation Forbidden**

The district will discipline any individual, student, or employee who retaliates against any person who: (1) reports alleged sexual harassment; or (2) assists or participates in an investigation or proceeding relating to a sexual harassment complaint. Retaliation includes all forms of intimidation, reprisal, or harassment.

Disability discrimination based on a district requirement for a medical or psychological examination of a job applicant, or an inquiry into whether a job applicant has a mental or physical disability or a medical condition or as to the severity of any such disability or condition, without the showing of a job-related need or business necessity

(cf. 4119.41/4219.41/4319.41 - Employees with Infectious Disease)

- 4. Provide training to employees, volunteers, and interns regarding the district's nondiscrimination policy, including what constitutes unlawful discrimination, harassment, and retaliation and how and to whom a report of an incident should be made

Training for supervisors shall include the requirement to report any complaint of misconduct to a designated representative, such as the coordinator, human resources manager, or Superintendent or designee as a topic in the sexual harassment prevention training required pursuant to 2 CCR 11024 (2 CCR 11023)

```

- 5. Periodically review the district's recruitment, hiring, and promotion processes and regularly monitor the terms, conditions, and privileges of employment to ensure district compliance with law
- 6. For any district facility where 10 percent of employees have a language other than English as their spoken language, translate the policy into every language spoken by at least 10 percent of the workforce

Any complaint alleging unlawful discrimination or harassment shall be addressed in accordance with the following procedures:

1. **Notice and Receipt of Complaint:** A complainant may inform his/her direct supervisor, another supervisor, the coordinator, the Superintendent or, if available, a complaint hotline or an ombudsman.

# **Complaint Procedure**

The complainant may file a written complaint in accordance with this procedure, or if he/she is an employee, may first attempt to resolve the situation informally with his/her supervisor.

A supervisor or manager who has received information about an incident of discrimination or harassment, or has observed such an incident, shall report it to the coordinator, whether or not the complainant files a written complaint.

The written complaint should contain the complainant's name, the name of the individual who allegedly committed the act, a description of the incident, the date and location where the incident occurred, any witnesses who may have relevant information, other evidence of the discrimination or harassment, and any other pertinent information which may assist in investigating and resolving the complaint.

```
(cf. 0410 - Nondiscrimination in District Programs and Activities) (cf. 4032 - Reasonable Accommodation)
```

2. **Investigation Process:** The coordinator shall initiate an impartial investigation of an allegation of discrimination or harassment within five business days of receiving notice of the alleged discriminatory or harassing behavior, regardless of whether a written complaint has been filed or whether the written complaint is complete.

The coordinator shall meet with the complainant to describe the district's complaint procedure and discuss the actions being sought by the complainant in response to the allegation. The coordinator shall inform the complainant that the investigation of the allegations will be fair, timely, and thorough and will be conducted in a manner that provides all parties due process and reaches reasonable conclusions based on the evidence collected. He/she shall also inform the parties that the investigation will be kept confidential to the extent possible, but that some information may be revealed as necessary to conduct an effective investigation.

```
(cf. 3580 - District Records)
(cf. 4112.6/4212.6/4312.6 - Personnel Files)
(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)
```

If the coordinator determines that a detailed fact-finding investigation is necessary, he/she shall begin the investigation immediately. As part of this investigation, the coordinator should interview the complainant, the person accused, and other persons who could be expected to have relevant information.

The coordinator shall track and document the progress of the investigation to ensure reasonable progress and shall inform the parties as necessary.

When necessary to carry out his/her investigation or to protect employee safety, the coordinator may discuss the complaint with the Superintendent or designee, district legal counsel, or the district's risk manager.

The coordinator also shall determine whether interim measures, such as scheduling changes, transfers, or leaves, need to be taken before the investigation is completed to ensure that further incidents are prevented. The coordinator shall ensure that such interim measures do not constitute retaliation.

3. Written Report on Findings and Remedial/Corrective Action: No more than 20 business days after receiving the complaint, the coordinator shall conclude the investigation and prepare a written report of his/her findings. This timeline may be extended for good cause. If an extension is needed, the coordinator shall notify the parties and explain the reasons for the extension.

The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If a determination has been made that discrimination or harassment occurred, the report also shall include any corrective action(s) that have been or will be taken to address the behavior, provide appropriate options for remedial actions and resolutions for the complainant, and ensure that retaliation or further discrimination or harassment is prevented.

The report shall be presented to the complainant, the person accused, and the Superintendent or designee.

4. **Appeal to the Board of Trustees:** The complainant or the person accused may appeal any findings to the Board within 10 business days of receiving the written report of the coordinator's findings. The Superintendent or designee shall provide the Board with all information presented during the investigation. Upon receiving an appeal, the Board shall schedule a hearing as soon as practicable. Any complaint against a district employee shall be addressed in closed session in accordance with law. The Board shall render its decision within 10 business days.

```
(cf. 1312.1 - Complaints Concerning District Employees)
(cf. 9321 - Closed Session Purposes and Agendas)
```

In addition to filing a discrimination or harassment complaint with the district, a person may file a complaint with either the California Department of Fair Employment and Housing (DFEH) or the Equal Employment Opportunity Commission (EEOC). The time limits for filing such complaints are as follows:

1. To file a valid complaint with DFEH, within one year of the alleged discriminatory act(s), unless an exception exists pursuant to Government Code 12960

# **Other Remedies**

- 2. To file a valid complaint directly with EEOC, within 180 days of the alleged discriminatory act(s) (42 USC 2000e-5)
- 3. To file a valid complaint with EEOC after first filing a complaint with DFEH, within 300 days of the alleged discriminatory act(s) or within 30 days after the termination of proceedings by DFEH, whichever is earlier (42 USC 2000e-5)

## REASONABLE ACCOMMODATION

Except when undue hardship would result to the district, the Superintendent or designee shall provide reasonable accommodation:

- 1. In the job application process, to any qualified job applicant with a disability
- 2. To enable any qualified employee with a disability to perform the essential functions of the position he/she holds or desires to hold or to enjoy equal benefits or other terms, conditions, and privileges of employment as other similarly situated employees without disabilities

No employee or job applicant who requests an accommodation for his/her physical or mental disability shall be subjected to discrimination or to any punishment or sanction, regardless of whether the request for accommodation was granted. (Government Code 12940)

The district designates the position specified in AR 4030 - Nondiscrimination in Employment as the coordinator of its efforts to comply with the Americans with Disabilities Act (ADA) and to investigate any and all related complaints.

(cf. 4030 - Nondiscrimination in Employment)

## **Definitions**

*Disability*, with respect to an individual, is defined as any of the following: (Government Code 12926; 20 CFR 1630.2)

- 1. A physical or mental impairment that limits one or more of the major life activities
- 2. A record of such an impairment
- 3. Being regarded as having such an impairment

*Limits* shall be determined without regard to mitigating measures such as medications, assistive devices, prosthetics or reasonable accommodations, unless the mitigating measure itself limits a major life activity. (Government Code 12926)

Essential functions are the fundamental job duties of the position the individual with a disability holds or desires. The term does not include the marginal functions of the position. (Government Code 12926; 29 CFR 1630.2)

Reasonable accommodation means: (Government Code 12926; 29 CFR 1630.2)

1. For a qualified job applicant with a disability, modifications or adjustments to the job application process that enable him/her to be considered for the position he/she desires

2. For a qualified employee with a disability, modifications or adjustments to the work environment, or to the manner or circumstances under which the position the employee holds or desires is customarily performed, that enable him/her to perform the essential functions of that position or to enjoy equal benefits and privileges of employment as are enjoyed by the district's other similarly situated employees without disabilities

Qualified individual with a disability means a job applicant or employee with a disability who: (29 CFR 1630.15, 1630.2)

- 1. Satisfies the requisite skill, experience, education, and other job-related requirements of the employment position he/she holds or desires
- 2. Can perform the essential functions of the position with or without reasonable accommodation
- 3. Would not pose a significant risk of substantial harm, which cannot be eliminated or reduced by reasonable accommodation, to himself/herself or others in the job he/she holds or desires

*Undue hardship* is a determination based on an individualized assessment of current circumstances that shows that the provision of a specific accommodation would cause significant difficulty or expense to the district. (29 CFR 1630.2)

## **Request for Reasonable Accommodation**

When requesting reasonable accommodation, an employee or his/her representative shall inform the employee's supervisor that he/she needs a change at work for a reason related to a medical condition. The supervisor shall inform the coordinator of the employee's request as soon as practicable.

When requesting reasonable accommodation for the hiring process, a job applicant shall inform the coordinator that he/she will need a reasonable accommodation during the process.

When the disability or the need for accommodation is not obvious, the coordinator may ask the employee to supply reasonable documentation about his/her disability. In requesting this documentation, the coordinator shall specify the types of information that are being sought about the employee's condition, the employee's functional limitations, and the need for reasonable accommodation. The employee may be asked to sign a limited release allowing the coordinator to submit a list of specific questions to his/her health care or vocational professional.

If the documentation submitted by the employee does not indicate the existence of a qualifying disability or explain the need for reasonable accommodation, the coordinator shall request additional documentation that specifies the missing information. If the employee does not submit such additional documentation in a timely manner, the coordinator may require him/her to submit to an examination by a health care professional selected and paid for by the district.

The district may make a medical or psychological inquiry of a job applicant or require him/her to submit to a medical or psychological examination after he/she has been given a conditional offer of employment but before the commencement of his/her job duties, provided the inquiry or examination is job-related, consistent with business necessity, and required for all incoming employees in the same job classification. (Government Code 12940)

The coordinator shall not request any job applicant's or employee's genetic information except as authorized by law. (42 USC 2000ff-1, 2000ff-5)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

In accordance with law, the coordinator shall take steps to ensure the confidentiality of information related to medical conditions or history. As applicable, he/she shall notify the supervisor or manager of the qualified individual of any reasonable accommodation granted the individual and may notify first aid and safety personnel when the disability of the qualified individual may require emergency treatment. (42 USC 12112)

(cf. 4112.6/4212.6/4312.6 - Personnel Records)

## **Granting Reasonable Accommodation**

Upon receiving a request for reasonable accommodation from a qualified individual with a disability, the coordinator shall:

- 1. Determine the essential functions of the job involved
- 2. Engage in an informal, interactive process with the individual to review the request for accommodation, identify the precise limitations resulting from the disability, identify potential accommodations, and assess their effectiveness
- 3. Develop a plan for reasonable accommodation which will enable the individual to perform the essential functions of the job or gain equal access to a benefit or privilege of employment without imposing undue hardship on the district

A determination of undue hardship should be based on several factors, including: (29 CFR 1630.2)

- a. The nature and net cost of the accommodation needed, taking into consideration the availability of tax credits and deductions and/or outside funding
- b. The overall financial resources of the facility making the accommodation, the number of persons employed at this facility, and the effect on expenses and resources of the facility
- c. The overall financial resources, number of employees, and the number, type, and location of facilities of the district
- d. The type of operation of the district, including the composition, structure, and functions of the workforce and the geographic separateness and administrative or fiscal relationship of the facility making the accommodation to other district facilities
- e. The impact of the accommodation on the operation of the facility, including the impact on the ability of other employees to perform their duties and the impact on the facility's ability to conduct business

The coordinator may confer with the site administrator, any medical advisor chosen by the district, and/or other district staff before making a final decision as to the accommodation.

## **Reasonable Accommodation Committee**

The coordinator may appoint a committee to review or assist in the development of appropriate plans to reasonably accommodate qualified individuals who request modifications or adjustments in their work duties or environment because of known physical or mental disabilities.

Committee members shall be selected on the basis of their knowledge of the specific functions and duties required in the position, the physical work environment, available accommodations, and other relevant issues. The committee may include a district administrator, site administrator, medical advisor or rehabilitation specialist, and as necessary, a certificated and/or classified employee. Membership may change on a case-by-case basis.

At the coordinator's discretion, the employee or applicant requesting accommodation may participate in the committee's meetings. If the employee or applicant is excluded from the committee's meetings, the coordinator shall communicate with him/her so that he/she has the opportunity to interact and contribute to planning the reasonable accommodation.

# **Appeal Process**

Any qualified individual with a disability who is not satisfied with the decision of the coordinator may appeal in writing to the Superintendent or designee. This appeal shall be made within 10 working days of receiving the decision and shall include:

- 1. A clear, concise statement of the reasons for the appeal
- 2. A statement of the specific remedy sought

The Superintendent or designee shall consult with the coordinator and review the appeal, together with any available supporting documents. The Superintendent or designee shall give the individual his/her decision within 15 working days of receiving the appeal.

Any further appeal for reasonable accommodation shall be considered a complaint concerning discrimination in employment and may be taken to the Board of Trustees in accordance with the district's procedure for such complaints.

## LACTATION ACCOMMODATION

The Board of Trustees recognizes the immediate and long-term health advantages of breastfeeding for infants and mothers and desires to provide a supportive environment for any district employee to express milk for her infant child upon her return to work following the birth of the child. The Board prohibits discrimination, harassment, and/or retaliation against any district employee who chooses to express breast milk for her infant child while at work.

(cf. 4030 - Nondiscrimination in Employment)

The district shall provide a reasonable amount of break time to accommodate an employee each time she has a need to express breast milk for her infant child. (Labor Code 1030)

To the extent possible, such break time shall run concurrently with the break time already provided to the employee. Any additional break time used by a non-exempt employee for this purpose shall be unpaid. (Labor Code 1030; 29 USC 207)

The employee shall be provided a private location, other than a restroom, which is in close proximity to her work area and meets the requirements of Labor Code 1031 and 29 USC 207, as applicable.

Employees are encouraged to notify their supervisor or other appropriate personnel in advance of their intent to make use of the accommodations offered for employees who are nursing mothers. As needed, the supervisor shall work with the employee to address arrangements and scheduling in order to ensure that the employees' essential job duties are covered during the break time.

Lactation accommodations may be denied only in limited circumstances in accordance with law. (Labor Code 1032; 29 USC 207)

Before an employee's supervisor makes a determination to deny lactation accommodations, he/she shall consult the Superintendent or designee. In any case in which lactation accommodations are denied, the Superintendent or designee shall document the options that were considered and the reasons for denying the accommodations.

The district reserves the right to suspend access at any time, without notice, for any reason.

The district expects all employees to use technology responsibly in order to avoid potential problems and liability. The district may place reasonable restrictions on the sites, material, and/or information that employees may access through the system.

The district makes no guarantee that the functions or services provided by or through the district will be without defect. In addition, the district is not responsible for financial obligations arising from unauthorized use of the system.

Each employee who is authorized to use district technology shall sign this Acceptable Use Agreement as an indication that he/she has read and understands the agreement.

#### **Definitions**

District technology includes, but is not limited to, computers, the district's computer network including servers and wireless computer networking technology (wi-fi), the Internet, email, USB drives, wireless access points (routers), tablet computers, smartphones and smart devices, telephones, cellular telephones, personal digital assistants, pagers, MP3 players, wearable technology, any wireless communication device including emergency radios, and/or future technological innovations, whether accessed on or off site or through district-owned or personally owned equipment or devices.

The employee in whose name district technology is issued is responsible for its proper use at all times. Employees shall not share their assigned online services account information, passwords, or other information used for identification and authorization purposes, and shall

# **EMPLOYEE USE OF TECHNOLOGY** (continued)

use the system only under the account to which they have been assigned. Employees shall not gain unauthorized access to the files or equipment of others, access electronic resources by using another person's name or electronic identification, or send anonymous electronic communications. Furthermore, employees shall not attempt to access any data, documents, emails, or programs in the district's system for which they do not have authorization.

- 7. Install unauthorized software
- 8. Engage in or promote unethical practices or violate any law or Board policy, administrative regulation, or district practice
- 9. Engage in use that may, in the sole discretion of the district, be reasonably construed as promoting the purchase, sale, or use of illegal drugs or substances.
- 10. Potentially or actually cause harm to another person or another's property.

13. Use another user's password or accessing another user's account, whether within or outside of the District's network without authorization

# **Privacy**

Since the use of district technology is intended for use in conducting district business, no employee should have any expectation of privacy in any use of district technology.

The district reserves the right to monitor and record all use of district technology, including, but not limited to, access to the Internet or social media, communications sent or received from district technology, or other uses within the jurisdiction of the district. Such monitoring/recording may occur at any time without prior notice for any legal purposes including, but not limited to, record retention and distribution and/or investigation of improper, illegal, or prohibited activity. Employees should be aware that, in most instances, their use of district technology (such as web searches or emails) cannot be erased or deleted.

All passwords created for or used on any district technology are the sole property of the district. The creation or use of a password by an employee on district technology does not create a reasonable expectation of privacy.

## **Personally Owned Devices**

# **Priorities for Hiring Based on Unavailability of Credentialed Teacher**

The Superintendent or designee shall make reasonable efforts to recruit a fully prepared teacher for each assignment. Whenever a teacher with a clear or preliminary credential is not available, the Superintendent or designee shall make reasonable efforts to recruit an individual for the assignment in the following order: (Education Code 44225.7)

- 1. A candidate who is qualified to participate in and enrolls in an approved intern program in the region of the district
- 2. A candidate who is scheduled to complete preliminary credential requirements within six months and who holds a provisional internship permit (PIP) or short-term staff permit issued by the CTC
  - The Board shall approve, as an action item at a public Board meeting, a notice of its intent to employ a PIP applicant for a specific position. (5 CCR 80021.1)
- 3. An individual who holds an emergency permit issued by the CTC or for whom a credential waiver has been granted by the CTC

Prior to requesting that the CTC issue an emergency permit pursuant to item #3 above or a limited assignment permit which allows a fully credentialed teacher to teach outside of his/her area of certification while working toward an added or supplementary authorization, the Board shall annually approve a Declaration of Need for Fully Qualified Educators. The Declaration of Need shall be approved by the Board as an action item at a regularly scheduled public Board meeting, with the entire Declaration of Need being included in the Board agenda. (Education Code 44225, 44225.7; 5 CCR 80023.2, 80026, 80027, 80027.1)

The Declaration of Need shall certify that there is an insufficient number of certificated persons who meet the district's specified employment criteria for the position(s) and that the district has made reasonable efforts to recruit individuals who meet the qualifications specified in items #1-#2 above. The Declaration of Need shall also indicate the number and type of emergency permits that the district estimates it will need during the valid period of the Declaration of Need, based on the previous year's actual needs and projections of enrollment. Whenever the actual number of permits needed exceeds the estimate by 10 percent, the Board shall revise and resubmit the Declaration of Need. (5 CCR 80026)

Whenever it is necessary to employ noncredentialed teachers to fill a position requiring certification qualifications, the Superintendent or designee shall provide support and guidance in accordance with law to ensure the quality of the instructional program.

### **Parental Notifications**

At the beginning of each school year, the Superintendent or designee shall notify the parents/guardians of each student attending a school receiving Title I funds that they may request information regarding the professional qualifications of their child's classroom teacher including, but not limited to, whether the teacher: (20 USC 6312)

- 1. Has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction
- 2. Is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived
- 3. Is teaching in the field of discipline of his/her certification

(cf. 5145.6 - Parental Notifications)

In addition, the Superintendent or designee shall notify parents/guardians in a timely manner whenever their child has been assigned, or has been taught for four or more consecutive weeks by, a teacher who does not meet applicable state certification or licensure requirements at the grade level and subject area to which the teacher has been assigned. Whenever there is an anticipated need for the district to temporarily fill the teaching assignment of a teacher of record who will be on sick leave, differential sick leave, industrial accident or illness leave, pregnancy disability leave, or family care and medical leave under the federal Family and Medical Leave Act or California Family Rights Act, the Superintendent or designee may request that the CTC issue a Teaching Permit for Statutory Leave (TPSL) to a qualified individual who will be serving as the interim teacher of record. Prior to submitting an application to the CTC, the district shall provide the applicant with 45 hours of preparation in the content areas listed in 5 CCR 80022. (5 CCR 80022)

```
(cf. 4161.1 - Personal Illness and Injury Leave)
(cf. 4161.11 - Industrial Accident/Illness Leave)

A request for the TPSL shall only be submitted if the district has made reasonable efforts to hire a substitute with a full teaching credential that matches the setting and/or subject for the statutory leave position and no such candidate is available. (5 CCR 80022)

The district shall verify to the CTC that it will provide the interim teacher: (5 CCR 80022)

- 2. An average of two hours of mentoring, support, and/or coaching per week through a system of support coordinated and/or provided by a mentor who possesses a valid life or clear credential that would also authorize service in the statutory leave assignment
- 3. Lesson plans for the first four weeks of the assignment as well as continued assistance in the development of curriculum, lesson planning, and individualized education programs

The holder of the TPSL may serve as the interim teacher of record for up to the full length of the leave(s) during the school year. (5 CCR 80022)

The Superintendent or designee shall maintain documentation on the assignment in accordance with 5 CCR 80022. He/she shall annually report data on the use of the TPSL to the County Superintendent of Schools for assignment monitoring pursuant to Education Code 44258.9. (5 CCR 80022)

(5 CCR 80022)

## **Long-Term Emergency Permits**

The orientation shall include, but not be limited to, the curriculum the teacher is expected to teach and effective techniques of classroom instruction and classroom management at the assigned grade-level span. The emergency permit holder also shall receive guidance and assistance from an experienced educator who is a certificated district employee or a certificated retiree from a California district or county office of education and who has completed at least three years of full-time classroom teaching experience. ## **Memorandum of Understanding**

Before interns employed by the district assume daily teaching responsibilities, a signed memorandum of understanding shall be in place between the district and the partner college/university detailing the support and supervision that will be provided to interns. (5 CCR 80033)

```
(cf. 4112.2 - Certification)
```

The memorandum of understanding shall include, but not be limited to:

- 1. Specific responsibilities of the program supervisor
- 2. Qualifications, identification, terms of employment, roles and responsibilities, and training of individual(s) to provide on-site support to interns
- 3. Allocation of additional personnel, time, and resources for interns who have not yet earned an English learner authorization
- 4. Expectations regarding the type and frequency of support
- 5. The process of communication between the program supervisor and on-site support personnel
- 6. Documentation, monitoring, and evaluation of site support

The district may enter into an agreement to employ college/university staff to supervise interns and may pay for the supervision of interns out of district funds. Salary payments may be met by proportionately reducing the salaries of paid interns, provided that no more than eight interns are supervised by one staff member, the district salary normally paid to interns is not reduced by more than one-eighth, and the intern is not paid less than the minimum salary required by the state for a regularly certificated teacher. (Education Code 44461-44462)

## **Support and Supervision of Interns**

The Superintendent or designee shall collaborate with the college/university teacher preparation program to design structured guidance of interns, regular site-based support and supervision, and a sequence of supervised fieldwork that includes planned observations, consultations, reflections, and individual and small-group teaching opportunities.

```
(cf. 4131 - Staff Development)
(cf. 4131.1 - Teacher Support and Guidance)
```

## **INTERNS** (continued)

Support and supervision provided to interns shall include the following: (Education Code 44830.3; 5 CCR 80033)

1. Professional Development Plan: The Superintendent or designee shall, in cooperation with the college/university, counsel each intern and, with the concurrence of the intern, shall develop a plan for the intern to complete the requirements to earn a credential in the content or specialty area(s) of the intern credential.

The plan shall include the components described in Education Code 44830.3, including, but not limited to, provisions for at least 120 clock hours (or the semester or quarter unit equivalent) of mandatory preservice training tailored to the grade level or class to be taught, additional instruction during the first semester or first year of service when required, and an annual evaluation of the intern.

- 2. Assignment of Mentor Teacher: Before an intern assumes daily teaching responsibilities, the Superintendent or designee shall assign him/her a mentor teacher who possesses a valid corresponding life or clear teaching credential and a minimum of three years of successful teaching experience.
  - The intern shall receive support from a mentor teacher who is assigned to the same school. If two or more mentor teachers are assigned to an intern, at least one of them shall be experienced in the curricular area(s) of the intern's assignment.
- 3. Support During School Year: Support and supervision shall include coaching, modeling, and demonstrating within the classroom. In addition, the intern shall receive assistance with course planning and with problem-solving regarding students, curriculum, and effective teaching methodologies.
  - Such support and supervision shall be provided for a minimum of 144 hours per school year or, for late hires, four hours multiplied by the number of instructional weeks remaining in the school year. At least two hours of support and supervision shall be provided every five instructional days.
- 4. Additional Support Addressing the Needs of English Learners: For any intern who enters the intern program without a valid English learner authorization, bilingual authorization, or crosscultural, language, and academic development certificate, the Superintendent or designee shall identify an individual who will be immediately available to assist the intern with planning lessons that are appropriately designed and differentiated for English learners, for assessing language needs and progress, and for support of language-accessible instruction through in-classroom modeling and coaching as needed. This individual may be the same mentor identified in item #2 above, provided he/she possesses an English learner authorization and will be immediately available to assist the intern.

## **INTERNS** (continued)

In addition, the district and college/university shall provide such interns with additional support and supervision, including in-classroom coaching, specific to the needs of English learners. Such support and supervision shall be provided for 45 hours per school year or, for late hires, five hours multiplied by the number of months remaining in the school year.

An intern who passes the California Teaching English Learners examinations may be exempted from these requirements.

(cf. 4112.22 - Staff Teaching English Learners)

## **Early Completion Option**

The Superintendent or designee shall inform qualified interns preparing for a multiple or single subject credential of the early completion option which allows them to challenge certain requirements of the intern program in areas where they have demonstrated competence.

In order to complete the intern program early and be recommended for a preliminary credential, candidates shall meet all requirements of the intern credential and the additional assessments and coursework specified in Education Code 44468.

#### **Tuberculosis Tests**

No applicant shall be initially employed by the district, or employed under contract, in a classified or certificated position unless he/she has submitted to a tuberculosis risk assessment within the past 60 days and, if tuberculosis risk factors are identified, has submitted to an intradermal or other approved tuberculosis examination to determine that he/she is free of infectious tuberculosis. If the results of the examination are positive, the applicant shall obtain an x-ray of the lungs. At his/her discretion, an applicant may choose to submit to the examination instead of the risk assessment. (Education Code 49406)

```
(cf. 1240 - Volunteer Assistance)
(cf. 4112 - Appointment and Conditions of Employment)
(cf. 4119.41/4219.41/4319.41 - Employees with Infectious Disease)
(cf. 4212 - Appointment and Conditions of Employment)
```

Prior to employment by the district, an applicant shall submit a certificate from an authorized health provider stating that the applicant was assessed and/or examined and found to be free of infectious tuberculosis. (Education Code 49406)

An applicant who was previously employed in another school district or private or parochial school shall be deemed to have fulfilled the tuberculosis testing requirement if he/she produces a certificate showing that he/she was found to be free of infectious tuberculosis within 60 days of initial hire or if his/her previous employer verifies that it has a certificate on file showing that the applicant is free from infectious tuberculosis. (Education Code 49406)

Thereafter, each district employee who was found free of infectious tuberculosis shall undergo a tuberculosis risk assessment, and an examination whenever risk factors are identified, at least once every four years or more often when required by the Board of Trustees upon recommendation of the county health officer. However, once an employee has a documented positive test for tuberculosis infection followed by an x-ray, he/she shall no longer be required to submit to the tuberculosis risk assessment but shall be referred to the county health officer within 30 days of the examination to determine the need for follow-up care. (Education Code 49406)

The cost of the pre-employment tuberculosis risk assessment and/or examination shall be paid by the applicant. The district shall reimburse the employee for the cost, if any, of subsequent tuberculosis risk assessments and examinations. The district may provide for the risk assessment and examination or may establish a reasonable fee for the examination that is reimbursable to the employee. (Education Code 49406)

Whenever the district contracts for the transportation of students, the contract shall require that all drivers who will be transporting students complete the tuberculosis risk assessment and, if indicated, the examination for infectious tuberculosis within 60 days of initial hire. (Education Code 49406)

# **HEALTH EXAMINATIONS** (continued)

```
(cf. 3312 - Contracts)
(cf. 3540 - Transportation)
(cf. 3542 - School Bus Drivers)
```

The following applicants or employees shall be exempted from the requirement to submit to a tuberculosis risk assessment and/or examination: (Education Code 49406)

1. An applicant/employee who files an affidavit stating that he/she adheres to the faith or teachings of a well-recognized religious sect, denomination, or organization and, in accordance with its creed, tenets, or principles, depends for healing upon prayer in the practice of religion and that, to the best of his/her knowledge and belief, he/she is free from infectious tuberculosis

Such an exemption shall be allowed only if the Board determines by resolution, after a hearing, that the health of students would not be jeopardized. If at any time there is probable cause to believe that the applicant/employee is afflicted with infectious tuberculosis, he/she may be excluded from service until the Board is satisfied that he/she is not afflicted.

(cf. 4030 - Nondiscrimination in Employment)

2. A pregnant employee who has positive results on a tuberculosis skin test, in which case she shall be exempted from the requirement to follow up with an x-ray of the lungs for a period not to exceed 60 days after the end of the pregnancy

# **Examination of Certificated Employees for Disabling Diseases**

To fill a certificated position with an applicant who has not previously been employed in a certificated position in California, or with a retirant who has not been employed as a retirant, the district shall have on file a medical certification indicating that the applicant or retirant is free from any disabling disease which would render him/her unfit to instruct or associate with children. (Education Code 44839, 44839.5)

```
(cf. 4117.14/4317.14 - Postretirement Employment)
```

The certificate shall be completed and submitted directly to the district by an authorized health care provider. The medical examination referenced in the certificate must have been conducted within six months of the date that the certificate is filed. (Education Code 44839, 44839.5; 5 CCR 5503)

Applicants and retirants shall pay for the cost of obtaining the medical certification. (Education Code 44849, 44839.5)

# **HEALTH EXAMINATIONS** (continued)

# **Mental Examination for Certificated Employees**

Whenever the Board is considering the suspension or transfer of a certificated employee based on its reasonable belief that the employee is suffering from mental illness of such a degree as to render him/her incompetent to perform his/her duties, the employee shall be offered the opportunity of being examined by a three-member panel of psychiatrists and psychologists in accordance with Education Code 44942. The employee shall select the members of the panel from a list of psychiatrists and psychologists provided by the district. The examination shall be conducted, at district expense, within 15 days of the ordered suspension or transfer. The employee shall submit to the examination, but shall also be entitled to present a report of any psychiatrist, psychologist, or physician of his/her own choice. (Education Code 44942)

## DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS

4312.42

The Board of Trustees desires to ensure that district-provided transportation is safe for students, staff, and the public. To that end, the Superintendent or designee shall establish a drug and alcohol testing program designed to prevent the operation of buses or the performance of other safety-sensitive functions by a driver who is under the influence of drugs or alcohol, including a driver of a school bus, student activity bus, or other school transportation vehicle or any other employee who holds a commercial driver's license which is necessary to perform duties related to district employment.

```
(cf. 3540 - Transportation)
(cf. 3542 - School Bus Drivers)
```

(cf. 3543 - Transportation Safety and Emergencies)

(cf. 4020 - Drug and Alcohol-Free Workplace)

(cf. 4112.41/4212.41/4312.41 - Employee Drug Testing)

A driver shall not report for duty or remain on duty when he/she has used any drug listed in 21 CFR 1308.11. A driver is also prohibited from reporting for duty or remaining on duty when he/she has used any drug listed in 21 CFR 1308.12-1308.15, unless he/she is using the drug under the direction of a physician who has advised him/her that the substance will not adversely affect the driver's ability to safely operate a bus. In addition, a driver shall not consume alcohol while on duty or for four hours prior to on-duty time. (49 CFR 382.201-382.209, 382.213)

The district's testing program for drivers shall include pre-employment drug testing and reasonable suspicion, random, post-accident, return-to-duty, and follow-up drug and alcohol testing of drivers. (49 USC 31306; 49 CFR 382.301-382.311)

The Board shall contract for testing services upon verifying that the personnel are appropriately qualified and/or certified and that testing procedures conform to federal regulations.

Except as otherwise provided by law, the Superintendent or designee shall not release individual test results or medical information about a driver to a third party without the driver's specific written consent. (49 CFR 40.321)

## **Consequences Based on Test Results**

Any driver who refuses to take a required drug or alcohol test, tests positive for drugs, or is found to have a blood alcohol concentration level that exceeds the levels specified in law shall be removed from performing safety-sensitive functions in accordance with 49 CFR 40.23 and 382.211.

No driver shall be temporarily removed from the performance of safety-sensitive functions based only on a laboratory report of a confirmed positive test before the certified medical review officer has completed verification of the test results, unless the district has obtained a waiver. (49 CFR 40.21, 382.107, 382.119)

Not later than five days after receiving notification of the test result or refusal to comply, the Superintendent or designee shall report any refusal, failure to comply, or positive test result to the California Department of Motor Vehicles (DMV) using a form approved by the DMV. (Vehicle Code 13376)

Any driver who refuses, fails to comply, or has a positive test result may be referred to an education and treatment program that meets the requirements of 49 CFR 40.281-40.313. If the substance abuse professional recommends that ongoing services are needed to assist the driver to maintain sobriety or abstinence from drug use, the Superintendent or designee shall require the driver to participate in the recommended services as part of a return-to-duty agreement and shall monitor his/her compliance. Any drop from a rehabilitation or return-to-duty program or a subsequent positive test result shall be reported to the DMV. (Vehicle Code 13376; 49 CFR 40.285, 40.287, 40.303, 382.605)

```
(cf. 4159/4259/4359 - Employee Assistance Programs)

(cf. 4161.9/4261.9/4361.9 - Catastrophic Leave Program)
(cf. 4261.1 - Personal Illness/Injury Leave)
```

A driver who has violated federal drug and alcohol regulations may be subject to disciplinary action up to and including dismissal in accordance with law, administrative regulations, and the district's collective bargaining agreement.

```
(cf. 4118 - Dismissal/Suspension/Disciplinary Action)
(cf. 4218 - Dismissal/Suspension/Disciplinary Action)
```

# **Voluntary Self-Identification**

Whenever a driver admits to alcohol or drug misuse under the district's voluntary self-identification program, the Superintendent or designee shall ensure all of the following: (49 CFR 382.121)

- 1. No adverse action shall be taken against the driver by the district.
- 2. The driver shall be allowed sufficient opportunity to seek evaluation, education, or treatment to establish control over his/her drug or alcohol problem.
- 3. The driver shall be permitted to participate in safety-sensitive functions only after:

- a. Successfully completing an education or treatment program, as determined by a drug and alcohol abuse evaluation expert, such as an employee assistance professional, substance abuse professional, or qualified drug and alcohol counselor
- b. Undergoing a return-to-duty test with a result indicating an alcohol concentration of less than 0.02 and/or a verified negative result for drug use

A driver who admits to alcohol or drug misuse shall not be subject to federal requirements related to referral, evaluation, and treatment, provided that he/she does not self-identify in order to avoid drug or alcohol testing, makes the admission prior to performing a safety-sensitive function, and does not perform a safety-sensitive function until he/she has been evaluated and has successfully completed education or treatment requirements in accordance with program guidelines. # DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS

4312.42

## **Definitions**

For purposes of drug testing required by the U.S. Department of Transportation (DOT), drugs included in the tests are marijuana, cocaine, amphetamines, phencyclidine (PCP), and opiates. (49 CFR 40.3, 40.85, 382.107)

Alcohol concentration or level means the alcohol in a volume of breath expressed in terms of grams of alcohol per 210 liters of breath. For purposes of the DOT alcohol testing program, an alcohol level between 0.02 and 0.04 requires removal of the bus driver for a 24-hour period following the test. An alcohol level of 0.04 or higher requires immediate removal of the driver from performing safety-sensitive functions until the driver has successfully completed the return-to-duty process. (49 CFR 382.107, 382.201, 382.505)

Safety-sensitive function means all time from the time a driver begins to work or is required to be in readiness to work until the time he/she is relieved from work and all responsibility for performing work. Safety-sensitive functions include, but are not limited to, all time driving or otherwise in the bus; waiting at a district facility to be dispatched; inspecting, servicing, or conditioning the bus or bus equipment; loading or unloading the bus; supervising or assisting in the loading or unloading of the bus; and repairing, obtaining assistance, or remaining in attendance upon a disabled bus. (49 CFR 382.107)

```
(cf. 3540 - Transportation)
(cf. 3542 - School Bus Drivers)
(cf. 3543 - Transportation Safety and Emergencies)
(cf. 4020 - Drug and Alcohol-Free Workplace)
```

# **Designated Employer Representative**

The Superintendent or designee shall identify a designated employer representative and shall provide his/her name and telephone number to the testing contractor to contact about any problems or issues that may arise during the testing process. (49 CFR 40.35, 40.215)

The designated employer representative shall be responsible for receiving test results and other communications, taking immediate action(s) to remove drivers from safety-sensitive functions, and making other required decisions in the testing and evaluation processes. (49 CFR 40.3)

# **Pre-employment Testing**

When hiring a new driver, the Superintendent or designee shall, with the driver's written consent, request the driver's past drug and alcohol testing record, as specified in 49 CFR 40.25, from any employer who has employed the driver at any time during the previous two years. In addition, the Superintendent or designee shall ask the driver if he/she tested

positive, or refused to test, on any pre-employment drug or alcohol test that was administered during the past two years in the course of applying for another safety-sensitive transportation position that he/she did not obtain. The driver shall not be permitted to perform safety-sensitive functions if he/she refuses to provide consent to obtain the information from previous employers, the information from previous employers is not received within 30 days of the date on which the driver first performed safety-sensitive functions for the district, or the driver or a previous employer reports a violation of a drug or alcohol regulation without subsequent completion of the return-to-duty process. (49 CFR 40.25, 382.413)

Upon making a contingent offer of employment to a driver and prior to the first time the driver performs safety-sensitive functions for the district, the Superintendent or designee shall require the driver to undergo testing for drugs and to receive a verified negative test result. This testing requirement may be waived if all of the following conditions exist: (49 CFR 382.301)

- 1. The driver has participated in a qualified drug testing program within the previous 30 days.
- 2. While participating in the program, the driver either was tested within the past six months or participated in a random drug testing program for the previous 12 months.
- 3. The Superintendent or designee has contacted the testing program(s) in which the driver has participated and has obtained information about the program and the driver's participation as specified in 49 CFR 382.301.
- 4. No prior employer of the driver of whom the district has knowledge has records of the driver's violation of federal drug testing regulations within the previous six months.

In addition, the Superintendent or designee shall require the driver to undergo preemployment alcohol testing in accordance with the procedures in 49 CFR 40.1-40.605 and to receive a test result indicating an alcohol concentration level of less than 0.04. (49 CFR 382.301)

# **Post-Accident Testing**

As soon as practicable following an accident involving a school bus or student activity bus, the Superintendent or designee shall ensure that the driver involved is tested for alcohol and/or drugs under either of the following conditions: (49 CFR 382.303)

1. The accident involved loss of human life.

2. The driver receives a citation for alcohol use within eight hours of the accident, or for drug use within 32 hours of the accident, and the accident involved bodily injury to a person who required immediate medical treatment away from the scene of the accident and/or disabling damage to one or more vehicles requiring towing.

The Superintendent or designee shall attempt to administer a required alcohol test up to eight hours following the accident and/or a drug test up to 32 hours following the accident. The results of an alcohol or drug test conducted by federal, state, or local officials having independent authority for the test shall be considered to meet this requirement. If the alcohol test is not administered within two hours following the accident, or the test for drugs is not administered within 32 hours following the accident, the Superintendent or designee shall make a record stating the reasons the test was not promptly administered. (49 CFR 382.303)

# **Random Testing**

The Superintendent or designee shall ensure that random, unannounced drug and alcohol tests of bus drivers are conducted on testing dates reasonably spread throughout the year. Such tests shall be conducted during, immediately before, or immediately after the performance of safety-sensitive functions. (49 CFR 382.305)

The Superintendent or designee shall ensure that the percentage of district drivers randomly tested for drugs and alcohol meets or exceeds the minimum annual percentage rates specified in 49 CFR 382.305 or subsequently published in the Federal Register.

Each driver selected for random testing shall have an equal chance of being tested each time selections are made. (49 CFR 382.305)

Each driver who is selected for testing shall proceed to the test site immediately or, if performing a safety-sensitive function other than driving a bus, then as soon as possible after ceasing that function. (49 CFR 382.305)

# **Reasonable Suspicion Testing**

A driver shall be required to submit to a drug or alcohol test whenever the Superintendent or designee has reasonable suspicion that the driver has violated the prohibitions against the use of drugs or alcohol. Such reasonable suspicion shall be based on specific, contemporaneous, articulable observations, conducted during, immediately before, or immediately after the performance of safety-sensitive functions, concerning the driver's appearance, behavior, speech, and/or body odors. Reasonable suspicion of drug use may also include indications of the chronic and withdrawal effects of drugs. (49 CFR 382.307)

The person who makes the required observations for reasonable suspicion testing for drugs or alcohol shall be trained in accordance with 49 CFR 382.603. The person who makes the determination that reasonable suspicion exists to conduct an alcohol test shall not be the same person who conducts the alcohol test. (49 CFR 382.307)

Within 24 hours of the observed behavior or before the results of the drug or alcohol test are released, whichever is earlier, the Superintendent or designee shall prepare and sign a written record of the observations leading to a reasonable suspicion test. (49 CFR 382.307)

An alcohol test required as a result of reasonable suspicion shall be administered within eight hours following the determination of reasonable suspicion. If the test is not administered within two hours, the Superintendent or designee shall prepare and maintain on file a record stating the reasons the test was not promptly administered. (49 CFR 382.307)

In the absence of a reasonable suspicion alcohol test, the district shall take no action against a driver based solely on the driver's behavior and appearance, except that the driver shall not be allowed to report for or remain on safety-sensitive functions until an alcohol test is administered and the results show a concentration less than 0.02 or 24 hours have elapsed following the determination of reasonable suspicion. (49 CFR 382.307)

# **Return-to-Duty Testing**

The Superintendent or designee may permit a driver who has violated federal drug or alcohol regulations to return to safety-sensitive functions after the driver has successfully complied with the education and treatment services prescribed by a substance abuse professional and has a taken a return-to-duty drug or alcohol test. The driver shall not resume performance of safety-sensitive functions unless the drug test shows a negative result and/or the alcohol test shows a concentration of less than 0.02. (49 CFR 40.305, 382.309)

# **Follow-Up Testing**

Upon receiving a written follow-up testing plan from a substance abuse professional, the Superintendent or designee shall determine the actual dates for follow-up testing consistent with those recommendations and shall ensure that such tests are unannounced and follow no discernable pattern as to their timing. No additional tests beyond those included in the plan shall be imposed by the district. (49 CFR 40.307-40.309, 382.111)

#### **Notifications**

The Superintendent or designee shall provide each driver with materials explaining the federal regulations and the district's policy and procedure related to drug and alcohol testing and shall notify representatives of employee organizations of the availability of this information. This information shall include a detailed discussion of at least the following: (49 CFR 382.303, 382.113, 382.601)

- 1. The identity of the person designated by the district to answer driver questions about the materials
- 2. The categories of drivers who are subject to drug and alcohol testing
- 3. Sufficient information about the safety-sensitive functions performed by those drivers to make clear what period of the workday the driver is required to be in compliance
- 4. Specific information concerning prohibited driver conduct
- 5. The circumstances under which a driver will be tested for drugs and/or alcohol, including post-accident testing
- 6. The procedures that will be used to test for the presence of drugs and alcohol, protect the driver and the integrity of the testing processes, safeguard the validity of the test results, and ensure that those results are attributed to the correct driver
- 7. The requirement that a driver submit to drug and alcohol tests
- 8. An explanation of what constitutes a refusal to submit to a drug or alcohol test and the attendant consequences
- 9. The consequences for drivers found to have violated the prohibitions against drug or alcohol use, including the circumstances under which drivers will be removed immediately from safety-sensitive functions and the requirements for education, treatment, and return-to-duty testing
- 10. The consequences for drivers found to have a blood alcohol concentration between 0.02 and 0.04

11. Information concerning the effects of drug and alcohol use on an individual's health, work, and personal life; signs and symptoms of a drug or alcohol problem (the driver's or a co-worker's); and available methods of intervening when a drug or alcohol problem is suspected, including confrontation, referral to any employee assistance program, and/or referral to management
