

TEMPORARY/SUBSTITUTE PERSONNEL

The Board of Trustees recognizes that substitute and temporary personnel perform an essential role in promoting student achievement and desires to employ highly qualified, appropriately credentialed employees to fill such positions.

(cf. 4112.2 - Certification)

Hiring

The Superintendent or designee shall recommend candidates for substitute or temporary positions for Board approval, and shall ensure that all substitute and temporary employees are assigned in accordance with law and the authorizations specified in their credential.

(cf. 4113 - Assignment)

Substitute personnel may be employed on an on-call, day-to-day basis.

In addition, after September 1 of any school year, the Board may employ substitute personnel for the remainder of the school year for positions for which no regular employee is available. The district shall first demonstrate to the Commission on Teacher Credentialing the inability to acquire the services of a qualified regular employee. (Education Code 44917)

(cf. 4117.14/4317.14 - Postretirement Employment)

Permanent or probationary certificated employees who were laid off pursuant to Education Code 44955 and who have a preferred right of reappointment shall be given priority for substitute service in the order of their original employment. (Education Code 44956, 44957)

(cf. 4117.3 - Personnel Reduction)

Classification

At the time of initial employment and each July thereafter, the Board shall classify substitute and temporary employees as such. (Education Code 44915, 44916)

The Board may classify as substitute personnel a teacher hired to fill the position of a regularly employed person who is absent from service. (Education Code 44917)

To address the need for additional certificated employees when regular district employees are absent due to leaves or long-term illness, the Board may classify a teacher who is employed for at least one semester and up to one complete school year as a temporary employee. Any person whose service begins in the second semester and before March 15 may be classified as a temporary employee even if employed for less than a semester. The Board shall determine the number of persons who shall be so employed, which shall not exceed the identified need based on the absence of regular employees. (Education Code 44920)

TEMPORARY/SUBSTITUTE PERSONNEL (continued)

The Board also shall classify as temporary employees those certificated persons, other than substitute employees, who are employed to:

1. Serve from day to day during the first three months of any school term to teach temporary classes which shall not exist after that time, or perform any other duties which do not last longer than the first three months of any school term (Education Code 44919)
2. Teach in special day and evening classes for adults or in schools of migratory population for not more than four months of any school term (Education Code 44919)

(cf. 6175 - Migrant Education Program)
(cf. 6200 - Adult Education)

3. Serve in a limited assignment supervising student athletic activities provided such assignments have first been made available to teachers presently employed in the district (Education Code 44919)

(cf. 4127/4227/4327 - Temporary Athletic Team Coaches)

4. Serve in a position for a period not to exceed 20 working days in order to prevent the stoppage of district business during an emergency when persons are not immediately available for probationary classification (Education Code 44919)

For purposes of classifying employees pursuant to item #1 or #2 above, the school year shall not be divided into more than two school terms. (Education Code 44919)

Any employee hired to provide services in a categorically funded program or project may be employed for a period less than a full school year. He/she may be classified as a temporary employee if the period of employment will end at the expiration of that program or project. (Education Code 44909)

Salary and Benefits

The Board shall adopt and make public a salary schedule setting the daily or pay period rate(s) for substitute employees for all categories or classes of certificated employees of the district. (Education Code 44977, 45030)

Release from Employment/Dismissal

The Board may dismiss a substitute employee at any time at its discretion. (Education Code 44953)

TEMPORARY/SUBSTITUTE PERSONNEL (continued)

The Board may release a temporary employee at its discretion if the employee has served less than 75 percent of the number of days the regular schools of the district are maintained during one school year. After serving 75 percent of the number of days that district schools are maintained during one school year, a temporary employee may be released as long as he/she is notified, before the last day of June, of the district's decision not to reelect him/her for the following school year. (Education Code 37200, 44954)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Reemployment as a Probationary Employee

Unless released from employment pursuant to Education Code 44954, any person employed for one complete school year as a temporary employee shall, if reemployed for the following school year in a vacant position requiring certification qualifications, be classified as a probationary employee. With the exception of on-call, day-to-day substitutes, if a temporary or substitute employee performs the duties normally required of certificated employees for at least 75 percent of the number of days the regular schools of the district were maintained in that school year and is then employed as a probationary employee for the following school year, his/her previous employment as a temporary or substitute employee shall be credited as one year's employment as a probationary employee for purposes of acquiring permanent status. (Education Code 44917, 44918, 44920)

(cf. 4116 - Probationary/Permanent Status)

Vacant position means a position in which the employee is qualified to serve and which is not filled by a permanent or probationary employee. It shall not include a position which would be filled by a permanent or probationary employee except for the fact that such employee is on leave. (Education Code 44920, 44921)

A temporary employee hired pursuant to item #1 or #2 in the section "Classification" above shall be classified as a probationary employee if the duties continue beyond the time limits of the assignment. (Education Code 44919)

With the exception of on-call, day-to-day substitutes, any temporary or substitute employee who was released pursuant to Education Code 44954 but who has nevertheless served in a certificated position in the district for at least 75 percent of each of two consecutive school years shall receive first priority if the district fills a vacant position for the subsequent school year at the grade level at which the employee served during either year. In the case of a departmentalized program, the employee shall have taught the subject matter in which the vacant position occurs. (Education Code 44918)

The roles and responsibilities of support providers shall be clearly defined in writing and communicated to all participants.

The Superintendent or designee shall ensure the timely assignment of qualified support providers to participating teachers and for reassignment as needed. (cf. 3100 - Budget)

(cf. 4141/4241 - Collective Bargaining Agreement)

The performance of a participating teacher shall be monitored by the support provider, Superintendent or designee, and/or a panel of teachers and administrators in order to determine whether the teacher has met program goals and to make recommendations for follow-up support or employment action, as appropriate.

(cf. 4112.6/4212.6/4312.6 - Personnel Files)

The Superintendent or designee shall regularly evaluate the district's teacher support and guidance programs and shall report to the Board regarding program effectiveness in meeting district goals for teacher quality and retention. Evaluation reports may include, but are not limited to, data on program enrollment and completion, subsequent retention rates of participating teachers, and interviews or surveys of program participants.

(cf. 0500 - Accountability)

Beginning Teacher Induction Program

The Superintendent or designee shall inform beginning teachers who possess a preliminary credential about induction programs or other options that are available to help them fulfill the requirements of the clear multiple subject, single subject, or education specialist credential pursuant to Education Code 44259.

(cf. 4112.2 - Certification)

The district's beginning teacher induction program shall meet program standards adopted by the CTC and shall support beginning teachers in meeting the competencies described in the California Standards for the Teaching Profession.

The beginning teacher's knowledge and classroom practice shall be regularly assessed using multiple measures and the results shall be used to monitor and revise individual induction plans. BARGAINING UNITS

4340

The Board of Trustees recognizes the right of district employees to form a bargaining unit, select an employee organization as their exclusive representative, and be represented by that organization in their employment relationship with the district. The Board is committed to negotiating in good faith with recognized employee organizations and respecting the rights of employees and employee organizations.

(cf. 4141/4241 - Collective Bargaining Agreement)

(cf. 4143/4243 - Negotiations/Consultation)

(cf. 9000 - Role of the Board)

The district shall not dominate or interfere with the formation or administration of any employee organization or contribute financial or other support to it. (Government Code 3543.5)

The district shall not deter or discourage employees from becoming or remaining members of an employee organization, impose or threaten to impose reprisals on employees, discriminate or threaten to discriminate against employees, or otherwise interfere with, restrain, or coerce employees because of their membership or nonmembership in an employee organization. (Government Code 3543.5, 3550)

(cf. 4119.1/4219.1/4319.1 - Civil and Legal Rights)

Formation of Bargaining Units

Certificated and classified employees shall not be included in the same bargaining unit. (Government Code 3545)

The district may recognize a bargaining unit of supervisory employees if: (Government Code 3545)

1. The bargaining unit includes all supervisory employees.
2. The supervisors are not represented by the same organization that represents employees whom the supervisory employees supervise.

(cf. 4300 - Administrative and Supervisory Personnel)

(cf. 4301 - Administrative Staff Organization)

(cf. 4312.1 - Contracts)

For this purpose, *supervisory employee* means any employee, regardless of job description, having the authority, in the interest of the district, to hire, transfer, suspend, layoff, recall, promote, discharge, assign, reward, discipline, assign work, direct, adjust grievance of other employees, or effectively recommend that action. The exercise of this authority shall not be merely routine or clerical in nature, but shall require the use of independent judgment. (Government Code 3540.1)

BARGAINING UNITS (continued)

Employees serving in management, senior management, or confidential positions shall not be represented by an exclusive representative. Such employees may represent themselves individually or may be represented by an employee organization whose membership is composed entirely of employees designated as holding those positions. When represented by an employee organization, that organization shall not meet and negotiate with the district. For this purpose: (Government Code 3540.1, 3543.4)

1. *Management employee* means any employee who has significant responsibilities for formulating district policies or administering district programs, and whose position is designated as a management position by the Board.
2. *Confidential employee* means any employee who is required to develop or present management positions with respect to employer-employee relations or whose duties normally require access to confidential information that is used to contribute significantly to the development of management positions.

Access to Employee Orientations and Contact Information

The district shall permit employee organizations access to new employee orientations where newly hired employees are advised, whether in person, online, or through other means or mediums, of their employment status, rights, benefits, duties, responsibilities, or any other employment-related matters. The district shall provide employee organizations at least 10 days' notice in advance of an orientation. However, in any specific instance where an unforeseeable, urgent need critical to the district's operation prevents the required 10 days' notice, a shorter notice may be provided. (Government Code 3555.5, 3556)

The structure, time, and manner of the access to new employee orientations shall be determined by mutual agreement of the district and the exclusive representative, following a request to negotiate by either party. If the district and exclusive representative fail to reach an agreement, matters related to the access to new employee orientation shall be subject to compulsory interest arbitration. The district and employee organization may mutually agree to submit any dispute to compulsory interest arbitration at any time. In addition, if any dispute arises during negotiations and is not resolved within 45 days after the first meeting or within 60 days after the initial request to negotiate, whichever is earlier, either party may make a demand for compulsory interest arbitration. When any such dispute arises during the summer when the district's administrative office is closed, the timeline shall commence on the first day the administrative office reopens. The decision of the arbitrator shall be final and binding on the parties. (Government Code 3556, 3557)

BARGAINING UNITS (continued)

The Superintendent or designee shall provide an exclusive representative with the name, job title, department, work location, telephone numbers (work, home, and personal cell phone), personal email address(es) on file with the district, and home address of any newly hired employee in the bargaining unit, within 30 days of hire or by the first pay period of the month following hire. In addition, the Superintendent or designee shall provide the same information on all employees in the bargaining unit to an exclusive representative at least every 120 days, unless more frequent or detailed lists are required by agreement with the exclusive representative. (Government Code 3558, 6254.3)

However, the Superintendent or designee shall not disclose the home address and any phone numbers on file for employees performing law enforcement-related functions, nor shall he/she disclose the home address, home or personal cell phone number(s), or personal email address(es) of any employee who is a participant in the Safe at Home address confidentiality program pursuant to Government Code 6207 or any employee who provides written request that the information not be disclosed for this purpose. Following receipt of a written request, the district shall remove the employee's home address, home and personal cell phone numbers, and personal email address from any mailing list maintained by the district unless the list is only used by the district to contact the employee. (Government Code 3558, 6207, 6254.3)

(cf. 1340 - Access to District Records)

Payment of Dues or Service Fee

Upon the written request of a recognized employee organization, the Superintendent or designee shall deduct the amount of organization dues or the fair share service fee, determined in accordance with Government Code 3546, from the wages and salary of each employee represented by that employee organization and shall pay that amount to the employee organization. (Education Code 45060, 45168; Government Code 3546)

Any employee who is a member of a religious body whose traditional tenets or teachings include objections to joining or financially supporting employee organizations shall not be required to join, maintain membership in, or financially support any employee organization as a condition of employment. However, such an employee may be required to pay an amount equal to the service fee to a designated charitable fund. (Government Code 3546.3)

Each employee organization shall, within 60 days after the end of its fiscal year, provide the Board and the employees who are members of the organization with a detailed financial report consisting of a balance sheet and an operating statement. If the employee organization fails to provide the financial report, the Board may issue an order compelling the organization to provide the financial report or any employee within the organization may petition the Board for such an order. (Government Code 3546.5)

The Board recognizes that advance planning is necessary to ensure that students receive the education to which they are entitled in the event of a work slowdown, sickout, strike, or other concerted activity by employees. The Superintendent or designee shall develop a written plan which shall include strategies for the provision of internal and external communications, preservation of student and staff safety, maintenance of district operations, and appropriate student instruction and supervision during a work slowdown or stoppage.

Affordability of Health Coverage

The Superintendent or designee shall seek written assurance from the district's health insurance carrier(s) that the health plan offered to full-time district employees and their dependents meets all requirements of the federal Patient Protection and Affordable Care Act. (42 USC 300gg-300gg95; 26 USC 4980H; 26 CFR 54.4980H-1-54.4980H-6)

The Superintendent or designee also shall ensure that each employee's contribution to the employee-only health coverage does not exceed 9.5 percent of his/her modified household income, as defined in 26 USC 5000A. The Superintendent or designee shall calculate the affordability of the coverage using one or more of the following methods in a uniform and consistent basis for all employees within the same category: (26 USC 4980H; 26 CFR 54.4980H-4-54.4980H-5)

1. The district shall ensure that the lowest cost employee-only coverage does not exceed 9.5 percent of wages paid to the employee by the district for the calendar year as reported on the employee's W-2 tax form. For an employee not offered coverage for an entire calendar year, the wages shall be adjusted to reflect the period for which coverage was offered.
2. The district shall ensure that the employee's required monthly contribution for the lowest cost employee-only coverage does not exceed 9.5 percent of an amount equal to 130 hours multiplied by the employee's hourly rate of pay on the first day of the plan year or his/her lowest hourly pay during the calendar month, whichever is lower.
3. The district shall ensure that the employee's contribution does not exceed 9.5 percent of a monthly amount determined as the federal poverty line for a single individual for the applicable calendar year, divided by 12.

Retired Certificated Employees

Any former certificated employee who retired from the district under any public retirement system and his/her spouse/domestic partner shall be permitted to enroll in the health and welfare and/or dental care benefit plan currently provided for certificated employees. The plan also shall be available to any surviving spouse/domestic partner of a former certificated employee who either retired from the district under any public retirement system or was, at the time of death, employed by the district and a member of the State Teachers' Retirement System. (Education Code 7000)

A retired certificated employee or surviving spouse/domestic partner shall be allowed to enroll in the coverage within 30 days of losing active employee coverage.
