(cf. 5145.3 - Nondiscrimination/Harassment)
(cf. 5145.7 - Sexual Harassment)
(cf. 5145.9 - Hate-Motivated Behavior)

Photographs or other evidence of the vandalism or graffiti shall be preserved as necessary for investigation by the district or law enforcement and as evidence in any district disciplinary proceedings.

The principal or designee shall ensure that graffiti on school grounds is removed and covered as soon as possible, and if practicable before the beginning of the school day.

A student who commits an act of vandalism or graffiti on school grounds shall be subject to disciplinary action, including, but not limited to, suspension or expulsion in accordance with Board policy and administrative regulation. ALCOHOL AND OTHER DRUGS

The Board of Trustees believes that the use of alcohol or other drugs adversely affects a student's ability to achieve academic success, is physically and emotionally harmful, and has serious social and legal consequences. The Superintendent or designee shall develop comprehensive programs and activities to foster safe, healthy, and drug-free environments that support academic achievement.

(cf. 0450 - Comprehensive Safety Plan)

(cf. 4020 - Drug and Alcohol-Free Workplace)

(cf. 5137 - Positive School Climate)

Note: The Every Student Succeeds Act (P.L. 114-95) amended 20 USC 7101-7122 to establish the Student Support and Academic Enrichment Grants program, which may be used for several specified purposes including activities to improve school conditions for student learning. For participating districts, 20 USC 7118 requires parent/guardian involvement in program activities and encourages partnerships with an institution of higher education, business, nonprofit organization, community-based organization, or other public or private entity. 20 USC 7116 specifies stakeholder groups that must be consulted in the development of the grant application, including parents/guardians, teachers, principals, other school leaders, specialized instructional support personnel, students, community-based organizations, local government representatives (e.g., law enforcement, juvenile court, child welfare agency, public housing agency), Indian tribes or tribal organizations, charter school leaders and staff, and others with relevant and demonstrated expertise in alcohol and drug prevention and intervention.

In addition, Education Code 51268 encourages districts to collaborate with county offices of education in the provision of education programs for alcohol and drug prevention and to coordinate program planning and implementation with health, social services, criminal justice, and other entities.

The following paragraph may be revised to reflect district practice.

The district's alcohol and drug prevention and intervention programs shall be coordinated with other school and community-based services and programs and shall promote the involvement of parents/guardians. The Superintendent or designee may collaborate with the county office of education, community-based organizations, health providers, law enforcement agencies, local child welfare agencies, postsecondary institutions, businesses, and other public and private entities in program planning, implementation, and evaluation.

(cf. 5131.62 - Tobacco)

2. Professional development and training for school staff, specialized instructional support personnel, and interested community members on drug prevention, education, early identification, intervention mentoring, recovery support services, and, where appropriate, rehabilitation referral

(cf. 6142.1 - Sexual Health and HIV/AIDS Prevention Instruction)

(cf. 6142.8 - Comprehensive Health Education)

(cf. 6143 - Courses of Study)

All instruction and related materials shall consistently state that unlawful use of alcohol or other drugs is prohibited. Instruction shall not include any message on responsible use of drugs or alcohol when such use is illegal. (Health and Safety Code 11999.2)

The district shall offer staff development activities for staff who implement the comprehensive drug and alcohol prevention and intervention program.

ALCOHOL AND OTHER DRUGS (continued)

Intervention, Referral, and Student Assistance Programs

Note: Pursuant to 20 USC 7118, as amended by P.L. 114-95, programs which may be funded under the Student Support and Academic Enrichment Grants program include programs of counseling, mentoring, referral services, and other student assistance programs. The following section may be revised to reflect district practice.

In addition, Education Code 215 mandates that any district serving grades 7-12 adopt a suicide prevention policy which contains measures and strategies for addressing the needs of high-risk groups, including, but not limited to, youth with substance use disorders. See BP/AR 5141.52 - Suicide Prevention.

The Superintendent or designee shall inform school staff, students, and parents/guardians about early warning signs which may indicate alcohol and other drug use and about appropriate agencies offering intervention programs, counseling, referral, and other student assistance programs.

The Board strongly encourages any student who is using alcohol or drugs to discuss the matter with his/her parent/guardian or with any staff member. Students who disclose their use of alcohol or other drugs when seeking help from an intervention or recovery program shall not be disciplined for such use.

(cf. 5141.52 - Suicide Prevention)

Enforcement/Discipline

(cf. 5145.12 - Search and Seizure)

The Superintendent or designee shall clearly communicate to all students, staff, and parents/guardians the district's policies, regulations, and school rules related to the use of alcohol and other drugs.

Note: Pursuant to Education Code 48900, a student's unlawful possession, use, sale, or furnishing of alcohol or a controlled substance is a ground for suspension or expulsion; see AR 5144.1 - Suspension and Expulsion/Due Process. Education Code 48915 requires immediate suspension and mandates expulsion for any student who sells drugs at school or while under school jurisdiction. In addition, Education Code 48902 requires districts to notify law enforcement of any acts which may involve the possession or sale of narcotics or a controlled substance. However, when suspension and expulsion are not mandated, districts

ALCOHOL AND OTHER DRUGS (continued)

should consider whether it is appropriate to use an alternative discipline that maintains safety and order on campus and corrects student misbehavior without unnecessarily excluding students from school or discouraging them from seeking assistance for substance abuse.

Any student found by the Board to be selling a controlled substance listed in Health and Safety Code 11053-11058 shall be expelled in accordance with BP/AR 5144.1 - Suspension and Expulsion/Due Process. A student found to have committed another drug or alcohol offense, including possession or intoxication, shall be referred to appropriate behavioral interventions or student assistance programs, and may be subject to discipline on a case-by-case basis.

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

(cf. 6145 - Extracurricular and Cocurricular Activities)

Program Evaluation

Note: Pursuant to 20 USC 7116, as amended by P.L. 114-95, an application for Student Support and Academic Enrichment Grants must include a description of how the district will periodically evaluate program effectiveness based on identified program objectives and outcomes. The following paragraph may be revised to reflect district practice.

The Board and Superintendent shall agree upon performance measures that will be used to monitor and determine the effectiveness of district programs in reducing drug and alcohol use. The Superintendent or designee shall periodically report to the Board on the effectiveness of district activities in achieving identified objectives and outcomes. (20 USC 7116)

(cf. 5145.12 - Search and Seizure)

In determining whether to take possession of the weapon or dangerous instrument, the employee shall use his/her own judgment as to the dangerousness of the situation and, based upon this analysis, shall take one of the following actions:

1. Confiscate the object and deliver it to the principal immediately
2. Immediately notify the principal, who shall take appropriate action

WEAPONS AND DANGEROUS INSTRUMENTS (continued)

DRESS AND GROOMING

The Board of Trustees believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students' clothing must not present a health or safety hazard or a distraction which would interfere with the educational process.

(cf. 4119.22 - Dress and Grooming)

(cf. 5145.2 - Freedom of Speech/Expression)

Students and parents/guardians shall be informed about dress and grooming standards at the beginning of the school year and whenever these standards are revised. A student who violates these standards shall be subject to appropriate disciplinary action.

(cf. 5144 - Discipline)

Gang-Related Apparel

The principal, staff and parents/guardians at a school may establish a reasonable dress code that prohibits students from wearing gang-related apparel when there is evidence of a gang presence that disrupts or threatens to disrupt the school's activities. Such a dress code may be included as part of the school safety plan and must be presented to the Board for approval. The Board shall approve the plan upon determining that it is necessary to protect the health and safety of the school's students.

DRESS AND GROOMING

In cooperation with teachers, students and parents/guardians, the principal or designee shall establish school rules governing student dress and grooming which are consistent with law, Board of Trustees policy and administrative regulations. These school dress codes shall be regularly reviewed.

(cf. 0420 - School Plans/Site Councils)

Each school shall allow students to wear sun-protective clothing, including but not limited to hats, for outdoor use during the school day. (Education Code 35183.5)

In addition, the following guidelines shall apply to all regular school activities:

1. Shoes must be worn at all times. Sandals must have heel straps. Thongs or backless shoes or sandals are not acceptable.
2. Clothing, jewelry and personal items (backpacks, fanny packs, gym bags, water bottles etc.) shall be free of writing, pictures or any other insignia which are crude, vulgar, profane or sexually suggestive, which bear drug, alcohol or tobacco company advertising, promotions and likenesses, or which advocate racial, ethnic or religious prejudice.
3. Hats, caps and other head coverings shall not be worn indoors.
4. Clothes shall be sufficient to conceal undergarments at all times. See-through or fish-net fabrics, halter tops, off-the-shoulder or low-cut tops, bare midriffs and skirts or shorts shorter than mid-thigh are prohibited.
5. Gym shorts may not be worn in classes other than physical education.
6. Hair shall be clean and neatly groomed. Hair may not be sprayed by any coloring that would drip when wet.

Coaches and teachers may impose more stringent dress requirements to accommodate the special needs of certain sports and/or classes.

(cf. 3260 - Fees and Charges)

No grade of a student participating in a physical education class shall be adversely affected if the student does not wear standardized physical education apparel because of circumstances beyond the student's control. (Education Code 49066)

(cf. 5121 - Grades/Evaluation of Student Achievement)

DRESS AND GROOMING (continued)

The principal, staff, students and parent/guardians at each school may establish reasonable dress and grooming regulations for times when students are engaged in extracurricular or other special school activities.

Gang-Related Apparel

At individual schools that have a dress code prohibiting gang-related apparel at school or school activities, the principal, staff and parents/guardians participating in the development of the school safety plan shall define "gang-related apparel" and shall limit this definition to apparel that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. (Education Code 32282)

Because gang-related symbols are constantly changing, definitions of gang-related apparel shall be reviewed at least once each semester and updated whenever related information is received.

GANGS

The Board of Trustees desires to keep district schools free from the threats or harmful influence of any groups or gangs which exhibit drug use, violence or disruptive behavior. The Superintendent or designee shall take steps to deter gang intimidation of students and staff and confrontations between members of different gangs. He/she shall exchange information and establish mutually supportive efforts with local law enforcement authorities.

(cf. 5131.4 - Student Disturbances)

(cf. 5131.7 - Weapons and Dangerous Instruments)

The Superintendent or designee shall provide inservice training which helps staff to identify gangs and gang symbols, recognize early manifestations of disruptive activities, and respond appropriately to gang behavior. Staff shall be informed about conflict management techniques and alerted to intervention measures and community resources.

The Board realizes that students become involved in gangs for many reasons, such as peer pressure, the need for a sense of belonging, and lack of refusal skills. Age-appropriate gang violence prevention education shall start with students in the early elementary grades and may start in kindergarten.

To further discourage the influence of gangs, the Superintendent or designee shall ensure that school rules of conduct and any school dress code prohibiting gang-related apparel are enforced consistently. If a student exhibits signs of gang affiliation, staff shall so inform the parent/guardian.
