

Administrative Regulation

INSTRUCTION

Representative and Deliberative Groups

Leadership Team

The Superintendent designates the following management and confidential positions as members of the Leadership Team:

Deputy Superintendent
Associate Superintendents
Assistant Superintendents
Directors
Principals
Assistant Principals
District Office Administrators
Maintenance and Operations Director
Program Coordinators
Deans of Students
Administrative Assistants

The Leadership Team is established to advise the Superintendent or designee for the purposes of:

1. Improving management activities through effective research on district problems.
2. Pooling technical knowledge.
3. Establishing a coordinated program for evaluating district operations and staff.
4. Improving communications among all district staff and with students, parents/ guardians and the community.
5. Increasing staff commitment to district services.
6. Suggesting new or revised policies and regulations.
