The principal or designee shall conduct a complete investigation of any instance of damage or loss of school property. The investigation shall be carried out in cooperation with law enforcement officials when appropriate.

Recovery of Damages

When the person causing the damage or loss has been identified and the costs of repair, replacement or cleanup determined, the Superintendent or designee shall take all practical and reasonable steps to recover these costs, including consulting district's legal counsel if necessary. Reasonable steps may include the filing of a civil complaint in a court of competent jurisdiction to recover damages from the responsible person.

If the responsible person is a minor, recovery may be sought from the minor's custodial parent/guardian in accordance with Education Code 48904.

Damages may include the cost of repair or replacement of the property, the payment of any reward, interest, court costs and all other damages as provided by law.
