

INSTRUCTION

Individualized Education Program

The Board of Trustees desires to provide educational alternatives that enable students with disabilities to reach their full academic potential. Students with disabilities shall be placed in the least restrictive environment that meets their needs to the extent provided by law.

The Superintendent or designee shall develop administrative regulations regarding the identification, assessment, and placement of students with disabilities, as well as the appointment of the individualized education program (IEP) team and the content of the IEP.

To the extent permitted by federal law, a foster parent shall have the same rights relative to his/her foster child's IEP as a parent/guardian. (Education Code 56055)
