

INSTRUCTION**School Site Councils**

The Board of Trustees encourages district employees, students, parents/guardians and other members of the school community to develop school plans designed to meet the specific needs at individual school sites. The Board may approve or disapprove school plans as necessary in order to fulfill the district's mission and accomplish the Board's adopted goals.

The Superintendent or designee shall ensure that schools provide for participation in state-funded, school-based programs by establishing and maintaining a school site council as required by law.
