School Improvement Program Evaluation

The following regulation is used to facilitate the implementation of the Program Quality Review Goals as outlined in Board Policy 6517.

Each school will conduct an annual Self-Study. The results of the Self-Study will be communicated to the site council by the principal, incorporated into the School Site Plan, and reported to the superintendent through Education Services.

External Review Schedule

Starting in 2001-2002, the Program Quality Review sequence will be as follows:

School Year	
2001-2002	Brooktree, Laneview, Piedmont
2002-2003	Noble, Northwood, Toyon, Majestic Way
2003-2004	Sierramont, Vinci Park, Cherrywood
2004-2005	Morrill, Ruskin, Summerdale

The above External Review Schedule will repeat itself every four years.

Annually, reports are to be made to the Board of Trustees as follows:

- School Plans
- Program Quality Review Results
- Student Achievement Results (including district testing program)
