

PERSONNEL: MANAGEMENT TEAM

Selection of Management Personnel

The Board of Trustees is desirous of selecting highly qualified individuals to serve as members of the District's management team. The Superintendent is responsible for the development and implementation of a recruitment and selection process which attracts and identifies talented and effective individuals to serve as members of the management team. The process will seek to incorporate input from a broad-based audience of the District as appropriate for the position under consideration. The Board of Trustees will only employ candidates recommended by the Superintendent.
