

**STUDENTS****Parental Notifications**

The Board of Trustees recognizes that notifications are essential to effective communication between the school and the home. The Superintendent or designee shall send students and parents/guardians all notifications required by law, including notifications about their legal rights, and any other notifications he/she believes will promote parental understanding and involvement.

Notifications to parents/guardians shall be written both in English and in the family's primary language whenever 15% or more of students enrolled in a school speak a single primary language other than English. Whenever an employee learns that a student's parent/guardian is for any reason unable to understand the district's printed notifications, the principal or designee shall work with the parent/guardian to establish other appropriate means of communication.
