## BERRYESSA UNION SCHOOL DISTRICT INSURANCE REQUIREMENTS FOR ALL PROJECTS UNDER \$60,000

For construction projects less than \$60,000, the District requires that all contractors provide acceptable proof of insurance for awarded projects before they are allowed to work at any District site. In order to expedite any "informally or formally" quoted projects, the District is requesting the following documents be on file with the District Purchasing Department:

1. Endorsed Certificate of Insurance stating under the project description: "All operations resulting from informally or formally quoted projects".
2. Proof of Workers' Compensation Insurance

A. **Comprehensive General Liability and Automobile Insurance.** Without limiting Contractor's indemnification, it is agreed that Contractor shall maintain in force at all times during the performance of this agreement the policies of insurance hereinafter described.

Contractor shall secure and maintain in force during the term of this agreement:

Commercial General Liability from any cause \$2,000,000 per occurrence; Automobile Liability for owned, non-owned, and hired vehicles \$1,000,000 per occurrence for bodily injury and property damage.

**BERRYESSA UNION SCHOOL DISTRICT, AND ITS EMPLOYEES AND AGENTS shall be named as an additional insured on the policies by separate endorsement that shall be attached to the contract as proof of insurance.** Insurance Accord shall state "All operations resulting from informally or formally quoted projects".

Written notification by the Carrier to the District at least thirty (30) days prior to cancellation, failure to renew, or other termination, is required.

Insurance afforded under the contractor's policy is primary and any insurance maintained by the District shall apply, if required by law, in excess of, and not contributory with, insurance required under the terms of this contract.

Contractor will, at his own expense, maintain coverage in conformance with the above requirements. Certificates of insurance evidencing the existence of coverage shall be filed with the District prior to commencement of work no later than seven (7) calendar days from date of notification of award.

B. **Workers' Compensation.** Contractor shall maintain a policy of workers' compensation insurance as required by Labor Code Section 3200 et. seq. A certificate evidencing this coverage shall be filed with the District prior to the commencement of work under this agreement and will become part of the contract. Written notification by the Carrier to the District at least thirty (30) days prior to cancellation, failure to renew, or other termination, is required.

C. **Delivery of Insurance Documents.** Insurance Accord and endorsements may be faxed, mailed or emailed to:
