1. DELAC Welcome

Meeting was called to order by Afia at 8:40a.m. she also gave a welcome to everyone and introduced Krista. Krista then had us break into groups for a welcome activity. We broke into groups according to whether our children preferred outdoor or indoor activities. We also discussed what some common things about both were. There was a second activity directed by Lidia. Parents were given the opportunity to take a few minutes and speak amongst themselves about how to better assist their students. They were then able to let Lidia know what those ideas were and she noted their ideas on a poster board.
