

District Technology Committee

November 14, 2016

3:00pm-4:30pm

District Office Board Room

Note taker: Jacquie Lambert

Attendees: Chris Mosely, Amy Swain, Cyndie Reyes, David Johnston, Donna Glanville, Ginger Jensen, Jacquie Lambert, Maria Smith, Ronreaco Lee

Welcome, Agenda Review	Dave
Ten Minute Tech Tip	Amy: Online PD-tool for teachers. Demo Screencast-must subscribe to download Voicethread-narrated PPT-insert pics-voiceover. Amazing way to get to a lot of students.
Technology Services Update	Dave -Working on technology support plan. Taking to the board in January. -Phone system-10: Installation during holiday break. Training: Video cheat sheet will be distributed to all. We will then decide if they need more training. Basic training is 30 min and 45 for "power-users" - Will be scheduled 12/8 & 12/15 throughout the day Intermediate tips and tricks-schedule-15 at a time. -K1 projects are progressing. Wall carts are being installed. We will have over 4k devices. -AV installations are on their way. -Dashboard is moving forward. -Online registration is moving forward - targeting March 2017. -Certica: Clerks are getting reports. Admins receiving reports starting today. -Monthly training: Started this week (Catapult) Great turn-out but not everyone registered--needed bigger room. -Board presentation Tuesday - Technology legal issues
EdTech Professional Development Update (Site Tech Leads)	Martha -Upcoming training this week--advanced Google course Dave
Technology Instructional	Dave

<p>Resources Review Process: Update and Next Steps</p>	<p>Draft is done. Final version reviewers will be volunteers. First round of multi part process.-basic review-share web form with your team Site techs would be ideal volunteers -21st century schools discussion-Martha, Joe, Barbara and Dave to discuss(educate teachers). -Rico-volunteered to do PD.</p>
<p>Discussion: Becoming 21st Century Schools: How do we educate our teachers on how to use technology?</p>	<p>Dave postponed discussion.</p>
<p>District Website/App Update</p>	<p>Dave -Some school sites are up. -Catapult is moving everything over to new template. -Most schools will go live on Thursday or Friday of this week. Last 3 will happen after the break. -App is available for download in android and Apple stores. Basic info only right now. -Please install and play with it--send Dave things you'd like to add. If it gets good usage, we can do something more complex. -Managing school website-Dave can add your access--coord with principals -Dave is sending out BrightBytes status updates--deadline is Friday.</p>
<p>Future Agenda Items</p>	<p>Dave</p>
