_____ If I accept placement of my student in the requested program, I understand my student may remain until completion of the program, as long as my student remains a resident of Berryessa.

_____ If I accept placement of my student at the requested school, my student's resident status at the home school will be terminated and my student will lose registration priority at the home school.

_____ I am responsible for providing any necessary transportation for my student to attend the requested program.

Please Note:

Placement is based on priority of space available.
