

Educational Videos: Safe and Effective Removal of Head Lice

The Santa Clara County Health Department provides videos from [headlice.org](http://www.headlice.org) on how to remove lice and nits using a metal lice comb. We highly encourage you to watch the videos in order to learn how to remove lice and nits safely and effectively. To view the videos in English or Spanish:

1. Go to <http://www.headlice.org/video/index.php> on your computer or electronic device
2. Click on the video "Featured Video: How to Use the Licemeister Comb."
3. Follow the instructions given

Or scan the QR code below with your smart phone.
