- disparity in funding between CDC and regular education programs;
- the restructuring of the CDC program within the limitations of the funding provisions and state regulations, including consideration of restructuring with salaries and benefits equal to the prevailing district standards:
- review of roles, purposes, and allocation of overhead costs;

APPENDIX E: WORKING MEMORANDUM REGARDING CSEA UNIT MEMBER INVOLVEMENT IN STAFF DEVELOPMENT AND SITE DECISION MAKING

February, 1998

During the 1998 negotiations, the negotiating parties discussed various approaches to increasing classified staff involvement in decisions relating to staff development and site-based decision-making.

The parties agreed to undertake multiple approaches to increase classified staff involvement in these vital areas. This memorandum summarizes those undertakings.

Staff Development

- The District will continue with the annual survey of classified staff regarding matters to be addressed on the District's staff development days.
- When possible, the District will involve the affected classified employees in the formulation of a staff development program.
- The District will begin funding an experimental program allowing a limited number of classified staff to attend staff development programs other than those the District offers.

District Site Councils

- District site administrators will enforce the site council selection process requiring classified employees to select a classified employee representative on the site council. (Education Code Section 52852).
- The CSEA President may be invited to attend the principals' staff meeting to address the issue of greater involvement in site decision-making and staff development.
- The District's policies and the administrative manual will be revised to conform with the Education Code provisions and the District's desires regarding increased classified employee participation on site councils.
- The District site administrators will inform the classified employees of their right to participate in the site councils' decision.

APPENDIX F: FAMILY AND MEDICAL CARE LEAVE AND PREGNANCY DISABILITY LEAVE GUIDELINES

Each eligible employee is entitled to family care and medical leave as provided by the Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA), as amended, and pursuant to the Uniform Services Employment and Reemployment Rights Act (USERRA). The leaves under FMLA and CFRA will run concurrently to the extent permitted by law. In addition, an eligible employee is entitled to pregnancy disability leave (PDL) as provided by California law.

These guidelines are provided to inform employees generally about FMLA, CFRA, and PDL. These guidelines are not intended to provide an exhaustive description of the terms and conditions of these leaves, and the District will administer these leaves in compliance with state and federal statutes and regulations and the collective bargaining agreement.

I. Family Care & Medical Leave

A. Eligibility

To be eligible for family care and medical leave, on the date on which leave is to begin, a full-time or part-time employee must have been employed by the District for at least twelve (12) months (52 weeks), which need not be consecutive, and have actually worked at least 1,250 hours of service during the twelve (12) month period immediately preceding the commencement of the leave.

B. Family Care And Medical Leave Entitlement

Subject to the provisions of this Agreement and state and federal law and regulations, including the federal FMLA and the CFRA, an eligible employee is entitled to a total of twelve (12) workweeks of unpaid leave during any twelve (12) month period for any one, or more, of the following reasons:

- 1. The birth of a child and to care for the newborn child (FMLA and CFRA);
- 2. The placement with the employee of a child for adoption or foster care and care for the newly placed child (FMLA and CFRA);
- 3. To care for the employee's child, parent, or spouse who has a serious health condition (FMLA and CFRA).
 - a. A child is defined as biological, adopted, or foster child, stepchild, legal ward, or child of a person standing in loco parentis who is under 18 years of age or an adult dependent child. "In loco parentis" means in the place of a parent; instead of a parent; charged with a parent's rights, duties, and responsibilities. It does not require a biological or legal relationship.
 - b. Parent is defined as biological, foster or adoptive parent, stepparent, or legal guardian. Parent does not include a parent-in-law.

- c. "Spouse" means a partner in marriage as defined by Family Code Section 300, which provides, in part, "Marriage is a personal relation arising out of a civil contract between two persons...." For CFRA purposes only, "spouse" also includes a registered domestic partner within the meaning of Family Code Section 297.5.
- 4. Because of an employee's own serious health condition that makes the employee unable to perform the functions of the employee's position, except for disability on account of pregnancy, childbirth, or related medical conditions, which is covered by pregnancy disability leave. (Pregnancy disability counts towards only California Pregnancy Disability Leave (PDL) and FMLA leave. Pregnancy disability does not count toward an employee's CFRA leave entitlement.)
- 5. Because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a U.S. National Guard or Reserve member on active duty or has been notified of an impending call or order to active duty status in support of a contingency operation (FMLA only).

The twelve (12) month period for FMLA and CFRA leave purposes is determined by a "rolling" twelve (12) month period measured backwards from the date an employee first uses FMLA/CFRA leave.

C. Family Care And Medical Leave To Care For A Covered Service member With A Service Injury Or Illness (FMLA Only)

Subject to the provisions of this Agreement, District policy, and state and federal law, including the FMLA, and eligible employee may take FMLA leave to care for a covered service member with a serious injury or illness if the employee is the spouse, son, daughter, parent, or next of kin of the service member.

- 1. An eligible employee's entitlement under Section C is limited to a total of twenty-six (26) workweeks of leave during a single 12-month period to care for a covered service member with a serious injury or illness. The "single 12-month period" in which the 26-weeks-of-leave-entitlement described in this Section begins on the first day an employee takes leave to care for the covered service member.
- 2. During the "single 12-month period" described above, an eligible employee's FMLA leave entitlement is limited to a combined total of twenty-six (26) workweeks of FMLA leave for any qualifying reason.

D. Minimum Duration Of Leave

1. Minimum duration of family care and medical leave taken for the birth, adoption, or foster care placement of a child: Leave taken for reason of the birth, adoption, or foster care placement of a child of the employee does not have to be taken in one (1) continuous period of time. Any leave(s) taken shall be concluded within one (1) year of the birth or placement of the child with the employee in connection with the adoption or foster care of the child by the employee. The basic minimum duration of the leave shall be two (2) weeks. However, the District shall grant a request for a leave of less than two (2) weeks' duration on any two (2) occasions.

2. Intermittent or reduced schedule leave: Eligible employees may take family care and medical leave on an intermittent or reduced schedule basis when medically necessary due to the serious health condition of a covered family member or the employee (FMLA/CFRA) or the serious injury or illness of a covered service member (FMLA only). Eligible employees may also take FMLA leave on an intermittent or reduced schedule basis when necessary because of a qualifying exigency. If an employee needs leave intermittently or on a reduced leave schedule for planned medical treatment, then the employee must take a reasonable effort to schedule the treatment so as not to disrupt unduly the District's operations.

E. Pay Status And Benefits

Except as provided in this Agreement, a family care and medical leave will be unpaid. The District will, however, continue to provide District contributions toward health plans' premiums during the period of family care and medical leave for up to the maximum amount of family care and medical leave required by law on the same basis as District contributions would have been provided had the employee not taken family care and medical leave. The employee will be required to continue to pay the employee's share of premiums payments, if any, during the leave.

F. Relationship Of Family Care And Medical Leave To Other Leaves

Any leave of absence that qualified as family care and medical leave and is designated by the District as family care and medical leave will be counted as running concurrently with any other paid or unpaid leave to which the employee may be entitled for the same qualifying reason under the collective bargaining agreement or District policy.

G. Relationship To Pregnancy Disability Leave

The family care and medical leave provided under this Section is in addition to any leave taken on account of disability due to pregnancy, childbirth, or related medical conditions for which an employee may be qualified under state law (CFRA only).

H. Notice To The District Of Need For FMLA/CFRA or PDL Leave

- 1. The employee must provide written notice to the District as far in advance of the leave as possible and as soon as the employee reasonably knows of the need for the leave. If the need for the leave is foreseeable based on an expected birth, placement of a child for adoption or foster care or planned medical treatment, the notice must be provided at least thirty (30) calendar days in advance of the leave, or if not reasonably known thirty (30) calendar days before the leave, then as soon as reasonably practicable.
- 2. The written notice must inform the District of the reasons for the leave the anticipated start of the leave, and the anticipated duration of the leave.
- 3. The employee shall consult with the District and make a reasonable effort to schedule any planned medical treatment or supervision so as to minimize disruption to department operations.

I. Medical Certification

- 1. An employee's request for family care and medical leave to care for a child, a spouse, or a parent who has a serious health condition shall be supported by a certification issued by the health care provider of the individual requiring care. If additional leave is required after the expiration of the time originally estimated by the health care provider, the employee shall provide the District with recertification by the health care provider.
- 2. An employee's request for family care and medical leave because of employee's own serious health condition or pregnancy disability leave shall be supported by a certification issued by the employee's health care provider.
- 3. As a condition of an employee's return from leave taken because of the employee's own serious health condition, the employee is required to obtain certification from the employee's care provider that the employee is able to resume work.
- 4. Employees are required to use the medical certification forms available from the District Human Resources Department to meet the certification and recertification requirements of this section.

J. District's Response To Leave Request

It is the District's responsibility to designate leave, paid or unpaid, as family and medical leavequalifying and to notify the employee of the designation.

K. Dual Parent Employment

Where both parents are District employees, allowable leave for the birth, adoption, or foster care placement of a child or the care of an employee's ill parent is limited to a total of twelve (12) work weeks in a 12-month period between the two employees. Their family care and medical leave entitlement is not limited or combined for any other qualifying purpose.

L. Employee's Status On Returning From FMLA, CFRA, or Pregnancy Disability Leave

Except as provided by law, on return from family care and medical leave or PDL, an employee is entitled to be returned to the same or equivalent position the employee held when leave commenced, with equivalent benefits, pay, and other terms and conditions of employment. An employee has no right to return to the same position. Use of family care and medical leave or PDL will not result in the loss of any employment benefit that accrued prior to the start of an eligible employee's family care and medical leave.

II. Pregnancy Disability Leave (PDL)

The following additional guidelines apply to Pregnancy Disability Leave (PDL):

A. PDL Entitlement

Under California Pregnancy Disability Leave law, an employee is entitled to a leave of up to four (4) months, as needed, for the period(s) of time an employee is actually disabled because of pregnancy, childbirth, or a related medical condition.

B. Intermittent or Reduced Schedule Leave

Leave may be taken intermittently or on a reduced work schedule when an employee is disabled because of pregnancy, as determined by the employee's health care provider.

C. Relationship of PDL to FMLA and CFRA Leaves

Pregnancy disability leave shall run concurrently with FMLA leave. An eligible employee is entitled to a maximum of four (4) months of pregnancy disability leave for the period of actual disability and an additional maximum of twelve (12) workweeks of CFRA leave to care for the newborn child.

D. Pay Status and Benefits

Except as provided in this Agreement, pregnancy disability leave will be unpaid. The District will continue to provide District contributions toward health insurance plans premiums during the period of pregnancy disability leave on the same basis as coverage and contributions would have been provided had the employee not taken pregnancy disability leave. The employee will be required to continue to pay the employee's share of these health plan premiums, if any. The employee's entitlement to health plan coverage and the District's premium contributions during pregnancy disability leave and during CFRA leave are two (2) separate and distinct entitlements and the time periods for these two (2) entitlements do not run concurrently.

E. District Recovery of Fringe Benefits Premiums

To the extent allowed by law, the District may recover from an employee health plans premiums paid by the District for the employee's coverage while the employee was on any FMLA. CFRA, and/or pregnancy disability leave (PDL) and the employee fails to return to work following the leave(s).
