Use this form ONLY to report pesticide applications made by schoolsite employees, staff, and volunteers at schools and child care centers.
DO NOT report pesticide use by pest management professionals contracted to apply pesticides at schoolsites. They will report their own
use. Report must be submitted no later than January 30th of the year following the year of use to:
School Pesticide Use Reporting, Department of Pesticide Regulation, P.O. Box 4015, Sacramento, CA 95812-4015

INSTRUCTIONS:

- Each line is an individual pesticide application. Report only one schoolsite, date/time, and pesticide per line. Multiple pages will be needed if you need to report more than 5 pesticide applications.
- A name and address is required for each schoolsite. A cover sheet with all schoolsite names/addresses can be included with your report to prevent repetitive writing/typing.
- Applicators: If you are mixing a concentrate with a liquid, report the amount of concentrate applied. For products that don't require dilution, report the amount of finished product applied.
