# Information About Measure A on the November 2, 2021 Ballot

Since 2008, Berryessa Union School District (BUSD) elementary and middle schools have relied on locally controlled parcel tax funding to help maintain quality education for local students, challenging them to excel academically and preparing them for high school and 21st-century careers.

**This funding is soon set to expire, which could result in teacher layoffs and the elimination of some academic programs.**

## Renewing Local Funding for Berryessa Schools

To protect the quality of education and instruction in local schools, the BUSD Board of Trustees unanimously voted to place Measure A on the November 2, 2021 ballot. Measure A would not increase taxes, but simply renew the existing parcel tax at \$79 per parcel, per year, for eight years in order to:

Maintain core academic programs

Provide learning technology

Attract and retain quality teachers

Keep school libraries open

Retain school counselors and library/media technicians

## Measure A: Fiscal Accountability Required

- ✓ All funds are locally controlled and cannot be taken by the State
- ✓ No funds can be used for administrator salaries or pensions
- ✓ Independent citizens' oversight and audits are required
- ✓ Senior citizen homeowners are eligible for an exemption
