He added that contractor is working on weekends to complete punch list items, which should be done by mid-October. Ms. Le added that A/C unit is also working.

Mr. Kanastab presented to the committee several new pictures of different school sites. Ms. Chen asked if the FIS space is being used a lot. Mr. Kanastab stated that he hopes that it is. He said that the teachers can sign up to use the space at the site office. In addition, he also mentioned how teachers at Ruskin ES approached him regarding the Multi-Purpose Room (MPR) and stated that everything looks very nice compared to what it was before. Mr. Michaels’ asked if Mr. Kanastab would have preferred to have done the same standard design for the FIS for all the school sites. Mr. Kanastab answered that each school was given the opportunity to have input into the design to give them a sense of ownership of the space. He also added that each site has different space and layout, so it is different in every situation.

Mr. Kanastab also showed several exterior and interior pictures of the New Central Kitchen building and stated how it is comparison to the old kitchen that was located to Toyon.

Mr. Kanastab continued the presentation for Measure L – Phase 3 Projects:

- Moving – was completed.
- Pavement Rehabilitation at Broocketree, Majestic Way, and Cherrywood are completed and on time.

Mr. Kanastab continued – Measure L – Phase 3 Projects:

- Laneview FIS Project & Majestic Way FIS Project – Bids September 19th, starts late October, and scheduled to be completed in February 2018. Ms. Chen asked what a punch list is. Mr. Kanastab answered that these are minor problems or issues that need to be fix by the contractors before they get their final payment.

- FIS Furniture – He stated that vendor has met with principals on site on August 30th, and furniture order is scheduled in November. Delivery in mid-February.

Mr. Kanastab also presented: Measure L – Phase 4 Projects:

- Ruskin Elementary School FIS, Piedmont Middle School FIS, Broocketree Elementary School FIS, Cherrywood Elementary School FIS, Toyon Elementary School, & Morrill Middle School – He said that meetings with site staff to review design are in early September and are scheduled to submit to DSA in late September. Toyon & Cherrywood are scheduled to be submitted to DSA mid-October. Ms. Le asked Mr. Kanastab if there
would be any concerns or problems, since next summer there are more projects to complete over the summer. Mr. Kanastab answered that the number of projects shouldn’t create more problem; he stated that problems are based on how good the contractors are. Mr. Kanastab said that we have prequalification, and the projects are usually easy like painting/flooring. Nevertheless, he added that FIS projects are more complicated and he said that there’s always a chance that problem will arise. He also mentioned that we learned from previous projects. For instance, he added that they do glazing as a separate packet to alleviate any problems. He said that they are also trying to finish/complete smaller project over the school year, so there would be less work during summer.

Mr. Kanastab also presented the Measure L – Program Schedule. Mr. Michaels’ asked if there are any risk associated. Mr. Kanastab replied that DSA (time frame) is always a gamble, which is why they try to bid as early as they can.

Ms. Chen asked “are we totally done?” Mr. Kanastab replied that Noble, Northwood, Summerdale, and Sierramont are about 99.9% done, but there are still little things that we want to do. Examples – Northwood, he stated that they wanted to put two sinks in the FIS. Ms. O’Leary asked if we need more budget, and Mr. Kanastab said that we’re okay.

b. Measure L 2016-17 2nd Quarter Financial Report

Minutes

Ms. Le presented to the committee the financial report. She showed the Multi-Year Summary Report that shows that we started with 62 million and have spent $26,328,693 as of the end of 2016-2017. Mr. Michael’s asked how much we will spend knowing what we know now. Ms. Le replied that we’ll spend about 77 million. She stated that there is a bond contingency to support “wish-list” or unplanned projects, such as the flooring in Morrill. She and Mr. Kanastab stated that due to drought the flooring has dropped and needs to be fixed. Mr. Kanastab also added that we also still have projects to bid and prices/costs are going up. Mr. Michaels also inquired about the savings regarding the Energy Conservation. Ms. Le answered that PG&E takes at least 1 year to see an accurate savings. She also added that there is a lot of factors in calculating savings. She said that Opterra is requesting for at least a year to analyze and prepare the report, which will also be presented to the Board. Ms. Chen also asked how much the district will save. Ms. Le said about $400,000 per year. Ms. O’Leary inquired what happens to the money that is saved (received). Ms. Le replied that it goes to the General Fund.

Ms. Le continued to present the 4th Quarter Bond report to the committee, which shows expenses by hard costs, soft costs, other project costs, program cost, and cost contingency. Mr. Michaels asked what happens after Measure L is complete.
Ms. Le responded that the Board might go out for another bond. Nevertheless, she said that there’s a lot of rules and regulation regarding acquiring another bond, such as bond capacity.

He stated that we need 3 out 5 members of the committee for a quorum. Mr. Michaels also mentioned that next June, majority of the committee’s term will expire, and asked Ms. Le if it’s possible to get a waiver to just extend the term for another six months rather than trying to get new members. Ms. Le said that she needs to check with the Bond Council to ensure that this would be legal.
   Ms. Chen also asked if there is any other state funding. Ms. Le replied that we currently are contracted with a consultant to see if we will be eligible for Prop 51 funds. She said that we submitted a list of projects that we have completed and are planning to be done to determine what project are eligible. but there is no guarantee that we’ll received the funding.
