BID B-05-2020-21

WIFI EQUIPMENT FOR YEAR 24 CATEGORY 2 E-RATE SERVICES

DUE: Before 10:00 a.m. on FRIDAY MARCH 5, 2021

I. INTRODUCTION

The Berryessa Union School District invites vendors to submit bid proposals in accordance with the terms and conditions of this request for Bid Proposals. This Bid Proposal details the services being sought, requirements, and evaluative criteria for the purchase of WIFI equipment for all District locations and requests a response from all prospective vendors, including pricing and service descriptions.

A Form 470 has been filed with the Schools and Library Division for E-Rate Year 24 requesting proposals for WIFI Equipment for Year 24 Category 2 E-Rate Services.

Year 24 Form 470 Application #210020035

The Berryessa Union School District has expanded their Technology Plan Goals to fully integrate technology into the curriculum. Our plan focuses on equitable access for all student learners with transparent connectivity among all learners and learner-focused training and support. Category 2 funding from E-Rate will allow the District to update and improve their WIFI services at all school sites. The District may wish to: (1) enter into a contract to purchase equipment and services with an eligible provider, or (2) may elect to take no action on responses received.

All respondents must provide their SPIN Number with submission of their proposal.

The Berryessa Union School District is dependent upon E-Rate and District funding to acquire the services that are being requested in this Bid Proposal. All respondents must participate in E-Rate and any agreement which might lead to a commitment of funds on the part of the District may be voided if E-Rate funds become unavailable. All responses should be based on costs BEFORE E-Rate discounts are applied. All bid proposals submitted must contain a separate line for sales tax. All equipment shall be quoted as FOB Destination Berryessa USD. The District will not pay a separate line for shipping and handling.

BACKGROUND INFORMATION

Berryessa Union School District is a public K-8 school district operating ten elementary and three middle schools. The District is located in the sloping northeastern foothills of the Silicon Valley in San Jose, California. The District serves a community of approximately 45,000 homes and has approximately 6,700 students enrolled in Kindergarten thru Eighth Grade. Challenging educational programs and a strong commitment to excellence produce high pupil achievement. As such, we are constantly striving to fill District needs in the most cost-effective manner to obtain the best combination of product, quality, price, and service.

This request for proposal does not commit the Berryessa Union School District to award a contract, to pay for any costs incurred in the preparation of a proposal, or to procure or contract the services or supplies. The Berryessa Union School District reserves the right to accept or reject any or all proposals received as a result of the request, to negotiate with any qualified source, or to cancel in part or in its entirety the Request for Proposals if it is in the best interest of the Berryessa Union School District. The District may require the firm selected to participate in negotiations, and to permit such price, technical or other revision of their proposals as may result from said negotiations. The selected firm's proposal will be submitted to the Board of Trustees for consideration of award. The decision of the Board is final.

PROPOSAL OPTIONS

In 2019-20 school year the District purchased Ruckus AP units and equipment with Category 2 funds. The District has standardized on Ruckus equipment; however, all vendors are invited to bid any "as equal" equipment on a separate set of worksheets. Time is of the essence with the E-Rate process, so bidders who wish to propose alternative "as equal" equipment must submit a request via email to:

Bonny S Gregorius
Purchasing and Contracts Manager
1376 Piedmont Road
San Jose, CA 95132
bgregorius@busd.net

The deadline for a submittal of alternative "as equal" equipment is Wednesday February 17, 2021. The District shall be the sole judge whether an offered item is the equal of the requested items on the Worksheets.
